MOST OF YOUR CUSTOMERS SPEND AN AVERAGE OF 1-3  
HOURS AT THE PARKING LOT  
THERE ARE OVER 160,000 ELECTRIC VEHICLES  
REGISTERED IN DC, MD AND VA.  
WASHINGTON DC IS RANKED #1 IN GROWING EV USERS.  
OVER 33,0000 EV USERS ARE IN TWO COUNTIES IN MD.

WE PROVIDE A SOLAR CANOPY AND EV  
CHARGER STATION AT ZERO CAPITAL COST TO  
YOU EXCEPT FOR A FEE FOR THE CANOPY.

EV USERS WILL CERTAINLY BE INTERESTED TO  
USE YOUR COMMERCIAL CENTER MORE IF THEY  
KNOW THEY GET THEIR VEHICLES CHARGED  
WHILE SPENDING TIME AT YOUR CENTER

---

This is certainly a plan for Future.

Soon states and federal government will ban the sale of combustion Engine Vehicle  
due to their pollution.

29% of the CO2 emission is caused by transportation.  
An EV charging station at your commercial center will be a look in the future at zero  
capital expenditure and zero cost to you.

---

A SAMPLE SITE WILL INCLUDE A SOLAR CANOPY, A BATTERY STORAGE SYSTEM AND A SET OF EV CHARGERS.

OR SIMPLY A SET OF EV CHARGERS CONNECTED TO YOUR ELECTRIC INFRASTRUCTURE.
