

Volunteer of the Year 2024

Every solid waste authority relies on volunteer members in order to survive, and each Solid Waste Authority knows at least one individual that goes above and beyond what they are asked to do.

The Association of West Virginia Solid Waste Authorities would like to honor volunteers who deserve additional recognition for their personal dedication to protect our environment and for enhancing the quality of life in our state.

The Association of West Virginia Solid Waste Authorities (AWVSWA) encourages every solid waste authority to nominate a volunteer from your county for consideration as a **"Volunteer of the Year"**. Solid Waste Authorities that are in good standing with the Association as of July 1, 2024 are eligible to nominate one volunteer from either the SWA Board or the community at large. All nominations must be received by the Association on or before September 15, 2024.

!!! NOTICE !!!

Please note that there is a change in the qualifications for this award. You do not have to be a member of the county/regional SWA Board. This has been opened to include any volunteer or group that the county/regional SWA Board feels are qualified to be nominated.

The recipient of the award will be invited to attend the Awards Banquet on Monday October 28, 2024, at the annual education conference Awards Banquet at Canaan Valley Resort.

This would include one night's (Monday) stay at Canaan Valley Resort if the recipient was not a member of a SWA already attending the conference.
