**LEARN, GROW, OVERFLOW**

At Oasis Church, we believe discipleship is a rhythm—one where we learn the Word (Colossians 3:16), grow in faith and relationship (Acts 2:42), and overflow with purpose in everyday life (1 John 3:18). This journey isn't about information—it's about transformation. Whether you're exploring faith or deepening your walk with Jesus, there's space to start where you are and grow from there.

**BE THE CHURCH**

Being the Church means we don't just gather on Sundays—we live as Christ's body throughout the week (1 Corinthians 12:27). Every person plays a part, every story matters, and every action of love is a reflection of Him. We're called to love in truth and deed (1 John 3:18), rooted in His Word and committed to walking in it daily. At Oasis, we don't attend church—we are the Church. Membership classes are offered twice a year or by personal request to Pastor Dennis. If you are interested in attending, please fill out a digital Connection Card using the new visitor QR code below, letting us know of your desire to be included.

*Learn, Grow, Overflow Questions for this week*

***Learn***

What was the significance of Jesus entering Jerusalem the way He did...would it have had the same impact if done differently?

***Grow***

What is an area of my life that needs to be laid down...needs to die...to fulfill the life God created me for?

***Overflow***

Who needs an invitation from me to celebrate Easter this year... who needs to know...there's a new King in town?

Christian baptism is an outward expression of an inward faith. It symbolizes a believer's identification with the death, burial, and resurrection of Jesus Christ—dying to sin, being washed clean, and rising to new life in Him.
