Directory, Database and Serving

To help you stay connected and involved at Oasis, we use Planning Center and the Church Center app. These tools make it easy to sign up for events, connect with others, and serve in areas that fit your gifts and availability. Directory is only available for members.

Church Center App (Your Main Hub) - The Church Center app is where most people start.

In the app, you can:

- View and sign up for events
- Register for gatherings, classes, meals, and special events.
- Access the church directory
- Find and connect with people in the Oasis community (you control what information is visible).
- Get updates and reminders
- Event reminders, schedule changes, and important announcements come directly to you.

This QR will take you directly to your church's **Church Center** account. Using the setup link in your mobile browser will prompt you to download the Church Center mobile app.

1. Tap the QR code your church provided.
2. Tap Download on the App Store or Get it on Google Play.
3. Tap Continue.
4. Download the app to your device and open it.
5. Tap Get started.
6. To connect with your church, tap Yes! Use the link.
7. Tap Log in to continue the login process.

BE THE CHURCH

Being the Church means we don't just gather on Sundays—we live as Christ's body throughout the week (1 Corinthians 12:27). Every person plays a part, every story matters, and every action of love is a reflection of Him. We're called to love in truth and deed (1 John 3:18), rooted in His Word and committed to walking in it daily. At Oasis, we don't attend church—we are the Church. Membership classes are offered twice a year or by personal request to Pastor Dennis.
