AN UNTOLD STORY

Little Italy, Arkansas, is unique. Its history is a rich blend of the spirit of the wine regions of the Old World combined with the pioneering courage of the American frontier. Your help is needed to tell this intriguing story.

The Little Italy Arkansas Heritage Society seeks to bring the story of our ancestors to the forefront of Arkansas history. Our vision is to establish a museum to honor those early settlers of Little Italy. Through informative displays and artifacts relating to the founding families, the Museum will highlight the story of their hardships, their successes, and their devotion to God and family.

HONORING THE ROLE OF THE FOUNDING FAMILIES

The Little Italy Arkansas Heritage Museum wants to tell the story of the founding families of Little Italy. We need *your* help to make it happen.

Will you help us?

The back of this brochure will provide you with exciting opportunities explaining how you can help honor the memory of those who helped establish Little Italy, Arkansas. We believe that the story of this place is worth telling and we need **YOUR** help to do so.

GETTING INVOLVED

The Little Italy Arkansas Heritage Society has established a museum to honor the legacy of the Italian settlers who arrived in this area at the turn of the 20th century.

Currently, we are seeking monetary sponsorships and donations/loans of artifacts related to the founding families. These donations will work to make this dream become a reality.

How can you help?

Consider sponsoring a gallery in our museum, or donating historic items that tell the story of your family's role in Little Italy's history.

Full donations, or an option to loan an item to the museum are possible.

Sponsorships of galleries recognize your ancestor's role in the founding of Little Italy. These gallery sponsorships help pay for various components of our museum's displays, proper display lighting, and other educational enrichment opportunities the museum will offer.

Please visit our website for more information.

 **SPONSORSHIP PACKAGES** 

The Little Italy Arkansas Heritage Society is seeking sponsorships for our Museum galleries. These galleries will highlight the story of the Italian pioneering families who established the Alta Villa colony in Northwest Pulaski County, bringing with them knowledge of wine-making and a deep devotion to God and family. It was in these ways that the families of Little Italy were unique and necessary to Central Arkansas—and we want everyone to know their story...
