

**La Paz Unified Fire-Medical District**  
**PO Box 1889 Quartzsite, AZ 85346**  
**70 E Tyson Street**

**Serving: Quartzsite, La Paz Valley, Rainbow Acres, Vicksburg, Hope, Brenda, Harcuvar, Salome and Wenden EST 2025**

## **Fire Plan Review — How to Submit**

For contractors, designers, and property owners with a commercial project in the District.

### **Where to send plans**

All **commercial** projects are reviewed by **Wildan Engineering**.

**Plan review:** Wildan Engineering

**Phone:** (602) 870-7600

**Fire code:** International Fire Code (IFC) **2024**

Call Wildan before you submit if you are unsure what they need for your project type.

More info is also on our website: <https://lapazfiremedical.com/fire-safety-1>

### **What to include with your submittal**

1. **Cover info** — project name, address (or APN), owner/applicant contacts, and a short scope of work
2. **Site plan** — buildings, roads, hydrants, FDC, gates, and fire access
3. **Floor plans** — exits, occupancy use, and square footage
4. **Fire system plans** (if any) — sprinkler, standpipe, fire alarm, or special systems
5. **Special hazards** (if any) — solar, battery storage, propane / LPG, hood systems, fuel tanks, hazmat, etc.
6. **Water supply info** — hydrant locations / available flow when sprinklers or fire flow apply

Use PDF plans that are clear and readable. Do not password-lock the files.

**Helpful District downloads** (same Fire Safety page): LPG tank installation, hood guidelines, fire systems service list, and related forms.

### **After plans are approved**

1. Keep an **approved set** on site.
2. Call the District to schedule **fire inspections** (rough / acceptance / final as needed).
3. Have someone on site who can operate the system for acceptance tests.

### **District (inspections & general)**

La Paz Unified Fire-Medical District

P.O. Box 1889, Quartzsite, AZ 85346

Phone: **(928) 927-6556**

Emergency: **9-1-1**

### **Quick checklist**

- ☐ Called or confirmed submittal with Wildan Engineering — (602) 870-7600
- ☐ Cover info + contacts included
- ☐ Site plan + floor plans
- ☐ Sprinkler / alarm / special system plans (if required)
- ☐ Plans designed to **IFC 2024**
- ☐ After approval — schedule inspections with the District at (928) 927-6556

*Commercial fire plan review is through Wildan Engineering. The District handles inspections and fire safety questions. Adopted codes and the fire code official have final authority.*
