Opportunity – Survey Assistant

IPaC, is searching for individuals to work as a Survey Assistant / trainee in line with our partnership agreement with Ts'amiks Ventures Corp. The primary purpose of this position is to assist a Survey Crew Chief in executing field survey works associated with various construction survey projects in northern and southern BC projects.

To be successful in this role you will bring and are able to perform the following skills / attributes:

- Assist the Party Chief to complete assigned tasks including measuring angles and distances, locating and/or establishing survey controls, marking boundaries, locating and marking underground facilities as assigned.
- Effectively communicate with internal team members to ensure timely delivery of information, actions, deliverables, effort (time) and timelines.
- Support a positive team atmosphere and professionalism.
- Arrive at work on time and prepared for the task and shift assigned by the crew supervisor.
- Organize and maintain tools, equipment and materials at project sites and in crew vehicle.
- Desire to participate and assist with safety meetings, hazard assessments and safe work procedures.

Minimum Qualifications

- High school graduation (or equivalent)

Desirable

- Ability to take direction and communicate effectively
- Attention to detail; ability to read and understand information and ideas presented in writing
- Desire to maintain a safe working environment both for yourself and for those working with you
- Ability to work to deadlines and see tasks through to completion
- A valid Driver's License preferred
