

# DOSE OF DCL

August 15th, 2024

Hello comedy fans and happy Independence Day! Welcome to the first edition of Dose of DCL, our monthly newsletter, to keep you up to date with our latest and greatest news! Think of it like the Yahoo email groups that our Desi community has refused to let become obsolete, only more fun!

## WHAT ARE WE UP TO?

Much like Australia's Olympic break dancing performance, Desi Comedy Live is ready to have you on the floor laughing! This has already been an eventful month with two killer shows, Azaadi and Funny Bones, and we're only just getting started!

Coming up in September are a series of exciting events, starting with a show in Milpitas, followed by a huge weekend of laughs in a place we haven't yet been before. That's right, you heard it here first, DCL is hitting the LA stage! Dates will be announced soon, so keep an eye out!

## COMICS' CORNER

What have our comics been up to?

Jolly and Vivek have not only been performing their latest and greatest sets over the past few weeks, but were also featured on Kron4's Live in the Bay to promote the club! They also were featured in the first episode of the Unsung Heroes Podcast with Kunjan!

Bhavna is taking her talents to Southern California for the Burbank Comedy Festival, performing on the 15th and 16th of August! Good luck Bhavna!
