Essess Productions, San Francisco:

"We have had the pleasure of working with Top Shelf and J'LA Chic Productions for several years in countless presentations from outdoor concerts to formal Theatrical productions. In any form, they consistently present crowd-pleasing performances with the highest level of talent and musicians.

Whether it's their classic trademark Motown Show, or alternative concept revues created for special occasions, they are more like collaborators in coming up with exactly the right show for the right venue with the right talent. From a Motown-themed Valentine Show - "From Motown, With Love" to a celebration of the Disco Era - "Disco Fever", to a Holiday spectacle "Motown Holiday Revue" and more intimate shows like "Tribute to Ray Charles" and "Tribute to Aretha Franklin"...every show is performed with their contagious passion and joy, and they never forget the real stars of the show - The Audiences.

They offer unique and complete entertainment packages, which is exactly what they deliver...and they Always deliver!!!!"

Zio Fraedos - Customer, Vallejo:

Top Shelf is really a top rated act. I am glad they are in the Bay Area where we can enjoy their brand of music and style. The venue Zio Fraedo's is a very classy place. It is located in Vallejo on the Marina. It has beautiful surroundings right on the water at the docs, the parking is right in front of the restaurant and well lit. The hosts are very friendly and the staff wonderfully attentive. They go out of their way to make your time there enjoyable. The show is in the back banquet room. The room is just is large enough to hold just the right amount of guests and remain very intimate with the talent. The food is delicious, fresh and the service is outstanding.

Top Shelf gave a wonderful performance! They started off with doing classic songs right down to old Motown. They even did Purple Rain! They had three changes in costume and sang and danced with the guests while the show was going on. After the show they greeted guests and I cannot say enough. I asked some of my girl friends to come and they all enjoyed the show. I was so impressed that I told my other relatives how good the show was and they also went to the SF show.

I am going back for this event (June 22) and I invited more of my friends who are inviting more of theirs. My mother who saw the show last weekend in San Francisco wanted to come along with me since she enjoyed it so much. The floor show and dancing was really what I have been looking for. Hopefully, Top Shelf will continue to come to our city and entertain us for many years.

I am looking forward to another wonderful time!

Imperial Palace, San Francisco:

Just a short note to let you know how much we enjoyed your show at the Imperial Palace. Not only was the energy high throughout, but the connections that the performers made with the audience to bring us into your musical space were one of a kind.

We will definitely recommend the Motown Madness show to all our friends when they are visiting SF! The patter between the songs showed the dedication and care that went into your preparation and performance!

Bravo! Keith & Laura H.

Wedding:

Thank you so much for all your help with our recent wedding at Kohl Mansion.. We all had a fabulous time... are still on cloud nine and may not come down for awhile, ... there have been many messages from guests..they raved about the music, the entertaining, fun and warm interactions with the guests, the acapella singing, the cocktail hour piano...well. I could go on and on... Please let the rest of the band, especially Johnny know how happy we were with our choice!

And thank you, too for your kind good wishes. We, too hope they have a happy life together..they certainly have had a good sendoff and were surrounded by love and support.

All best,

Susan Opsvig
