

# Successful Digital Transformation with Aksum Consulting's DARTS® Methodology

AKSUM CONSULTING'S DARTS® METHODOLOGY

## Strategic, Operational, and Technological Benefits of DARTS®

### Strategic

- ❖ Improves customer satisfaction
- ❖ Enhances competitiveness
- ❖ Increases ROI
- ❖ Facilitates organizational Change Management (OCM)

### Operational

- ❖ Enables organizational transparency and governance
- ❖ Improves synergy across functional areas by eliminating duplicative workflows
- ❖ Increases workflow efficiency and agility
- ❖ Reduces time-to-value

### Technological

- ❖ Provides proven approach to technology evaluation and selection
- ❖ Incrementally delivers digital transformation
- ❖ Uses cost-efficient, composable service architectures (SOA, microservices)
- ❖ Utilizes existing enterprise IT assets
