Choreography (XCEL ONLY)

Gymnasts that will be competing in the Xcel program will need to have a floor and beam routine choreographed. The cost will be \$250. They will need a minimum of 3 hours with the choreographer. This can be paid to the front desk (CASH ONLY) due by February 30th. Once we have received your payment, we will reach out to you to schedule. Please turn in your choice of music to: volusiaacademy2@gmail.com to be approved. Our goal is to have the choreography completed by May. This allows for them to polish their routines before competition season begins.

Fundraisers & Team Bonding

Sometimes the cost of this sport can seem overwhelming. To help we will be doing some fundraising to alleviate cost. Fundraisers often serve as team bonding time as well. If you do have some ideas regarding fundraisers, please share. If you are interested in helping us keep organized, and spearheading the fundraising please let us know. Just an FYI we are not a 5013C.
