### Session Training Fee

The fee schedule below will be effective January 18th. Tuition will be due the 1st week of each session. Please refer to the session sheet attached for due date. If tuition has not been paid by the end of the week, we will charge any outstanding balances to the card on file. Non-payment will result of the forfeiture of your child's spot in the program. All outstanding balances beyond 30 days will be subject to a \$20 late fee. VAGD does not issue billing statements, unless the account is delinquent. A \$25 returned check fee will be added to all returned checks. A \$15 fee will be added for all credit cards that are returned (i.e. Insufficient Funds/Unable to Process). No credit or refunds are given for missed classes. This is a year around commitment both financially and physically. You may pay your tuition by cash, check or credit card. Everyone is required to have an updated card on file.

### **Choreography (XCEL ONLY)**

Gymnasts that will be competing in the Xcel program will need to have a floor and beam routine choreographed. The cost will be \$250. They will need a minimum of 3 hours with the choreographer. This can be paid to the front desk (CASH ONLY) due by June 30th. Once we have received your payment, we will reach out to you to schedule. Please turn in your choice of music to: [volusiaacademy2@gmail.com](mailto:volusiaacademy2@gmail.com) to be approved. Our goal is to have the choreography completed by September. This allows for them to polish their routines before competition season begins.

### **Fundraisers & Team Bonding**

Sometimes the cost of this sport can seem overwhelming. To help we will be doing some fundraising to alleviate cost. Fundraisers often serve as team bonding time as well. If you do have some ideas regarding fundraisers, please share. If you are interested in helping us keep organized, and spearheading the fundraising please let us know. Just an FYI we are not a 5013C.
