

GOPAL KRISHNA

COLLEGE OF ENGINEERING & TECHNOLOGY

JEYPORE (K), ODISHA

POLICY ON

PROVIDING DISABLE-FRIENDLY, BARRIER-FREE ENVIRONMENT

This policy has been framed to ensure that all stakeholders of Gopal Krishna College of Engineering and Technology are aware of the facilities provided for all students and staff with disabilities in the campus. The college takes utmost care in providing the needed amenities and creates an environment of inclusive education for all students.

- The buildings, toilets, laboratories, libraries, food courts etc. are barrier-free and accessible for all types of differently abled persons.
- Ensure inclusion and effectiveness in the participation of differently - abled students in curricular, co-curricular and extra-curricular activities.
- Provide assistance of facilities needed in taking up examinations for disabled students
- Provide information brochure on the facilities available on the campus.
- Permit all people with disabilities to use their own personal assistive devices on the campus.
- Update information related to facilities available to differently abled in the campus
- Grievance Redressal System is functioning in the campus and Women cell is also actively taking care of the grievances of women.
- Provide counselling sessions with counsellors in the campus and give special care to differently abled students by faculty mentors.
- Ensure that the differently abled persons have equal opportunities in sports, games and cultural programmes.
- Every member of the college is made aware of the amenities available for differently abled and support them to access all in-house resources
