COLLEGE OF ENGINEERING AND TECHNOLOGY
GOURAHARI VIHAR, RANIPUT, JEYPORE, Odisha - 764005

PUBLIC SELF-DISCLOSURE
BY HIGHER EDUCATION INSTITUTIONS

a) **About HEI –**

➤ **About Us: Overview**

Gopal Krishna College of Engineering and Technology (GKCET), Jeypore is managed by IEM Society. The Institute is designed to impart B.Tech Engineering Courses in various disciplines. Poised to become an institute of repute as being the only & Best in B.Tech Engineering Education in the state. Possessed with a strong faculty hailing from excellent engineering back-grounds, equipped with a strong acumen of knowledge to teach the young minds, the essence of quality of education registered under Society Act-1860.

The founder of the society had proposed to start the said institute under self finance scheme to promote the higher education in the southern region of Odisha and to produce well trained personnel in the field of engineering and management studies in the said backward region of the state of Odisha.

At GKCET, we are passionate about providing high-quality education to all individuals. Our story began with a desire to make education accessible to everyone, regardless of their background or location. We believe that education is a powerful tool that can transform lives and create positive change in the world.

The salubrious and serene campus of 72 acres on the outskirts of Jeypore is fully secured and complete with all basic requirements and modern amenities to get the very best in you.

This Institute is situated at Gaurahari Vihar, Raniput, Jeypore having well equipped infrastructure with essential facilities like Offices, Workshops, Laboratories, Drawing Halls, Class Rooms, Library, Hostels, Recreation Hall, Gymnasium, Open Air Theater, Post Office, Canteen etc.

THIS INSTITUTE is dedicated to the inculcation of the highest ideals and standard in engineering and management and to the awakening of ambition, the engendering of vision and training for the individual leadership which comes with the fullest utilization of natural abilities: mental, physical, moral and spiritual.

Our Mission

At GKCET, we strive to provide the best possible education to our students by creating an environment that fosters learning, growth, and personal development.

Our History

Founded in 1999, GKCET has been dedicated to helping students achieve their goals for over 25 years. We have a proven track record of success and are committed to continuing to provide high-quality education for years to come.

MEMORANDUM OF ASSOCIATION OF
INSTITUTE OF ENGINEERING AND MANAGEMENT

(Under Registration of Societies Act XXI of 1860)

...

- A. The Name of the Society shall be,
'INSTITUTE OF ENGINEERING AND MANAGEMENT'.
- B. The Registered Office of the Society shall be at,
Aurobindo Nagar, Post:- Jaypore -764001, Dist:-Koraput (Orissa).
- C. The Aims and objectives for which the Society
(here in after, the Institute) is established are,
1. To advance the general welfare of mankind through the resources and creative abilities of the Professions of Engineering, Science, Technology, Economics, Social Science, Commerce, Management, Law, Public Administration and other allied disciplines.

➤ **Institutional Development Plan**

This Strategic plan is made by Gopal Krishna College of Engineering and Technology, Jeypore to accomplish the requirements of the students, faculty, staff and society and also in providing quality education with advanced infrastructure towards students' advancement in scientific and technical excellence.

In this technology driven society, the strategic goals of the institute have been drafted for the period of 2023-2032 for transforming GK CET-Jeypore to a quality technical institution at the national level.

Academic Eminence:

GK CET Jeypore, as a seat of learning, aims for providing quality education by progression towards disseminating knowledge with cumulative wisdom. It is a higher learning educational institution with better standards of educational excellence in the core and emerging academic disciplines. The institute intends to promote the programmes on emerging technologies, blended teaching techniques and technology enhanced student centric learning environment. The students will be further subjected to skill development courses, internships and online certification courses also.

Objectives:

- To provide quality and cultured education
- Initiate multidisciplinary, minor degree, emerging technology programs fulfilling the needs of the stake holders
- To adopt technology enabled teaching pedagogy

Strategies:

- Strengthening current academic programs by revising course curriculum with high standards and industry based requirements
- Usage of blended teaching methodology from traditional blackboard method to ICT enabled techniques to LMS
- Academic freedom and flexibility as blended teaching allowed along with collaborative learning practices.
- Encouraging virtual mode of teaching with advanced online tools for both teaching fraternity and students.
- Initiating the faculty and students to register and complete online courses through nptel swayam, spoken tutorials etc
- Updated and strong feedback mechanism covering various aspects of curriculum, teaching learning process, industry, employer and exit feedback etc.

Innovative Research:

The institute is committed to high quality innovative research. To facilitate the research activities of the students and aspiring faculty, the institute developed the research policy to guide, encourage, strengthen the quality of the research to the core.

Objectives:

- To promote multidisciplinary research
- To encourage the faculty for quality publications and research proposals
- To encourage the aspiring faculty for patent filing and maximizing the patent rights

Strategies:

- Implementing Institute's Research Ethics Policy
- Creating supportive research environment for students and faculty
- Promoting highest ethical standards in research
- Motivating the faculty and students towards novel research methodologies and social relevant topics.
- Recognising and rewarding good contributions of the faculty towards research
- Facilitating the faculty for infrastructural support, books, journals etc
- Encouraging faculty and also students to submit innovative ideas and proposals for the platforms like MSME business incubation etc.

Collaborations:

Our institute desires to promote collaborations in research, teaching and employment at national level.

Objectives:

- To identify opportunities related to development of the students and teachers in the form of internships, projects, fellowships, funded programs in the national level.

Strategies:

- Increasing the opportunities of internships and employments of the students through extensive deliberations and MOU's.
- Promoting the work of both students and faculty on various platforms
- Developing e-content and making it accessible for student community

Capacity Building:

Outstanding performance by competent and committed people made significant expansion to provide culture, facilities and support for faculty and staff.

Objectives:

- To gauge and develop healthy competency for achieving academic and administrative excellence
- To develop, reward and retain academic and administrative staff of high calibre.

Strategies:

- Flourishing technology based skills for the faculty and staff in conducting the workshops and Faculty Development Programs.
- Promoting the faculty to participate and present their works in various

academic related programs.

- Encouraging the faculty to develop new e-content and books.
- Organising social and cultural events for the faculty and staff.

Integrated Governance:

Objective:

To ensure academic, financial and administrative autonomy in the institute

Strategies:

- Joining all administrative and academic departments in coherence
- Integrating the students' evaluation and assessment as per regulatory framework for quick publication of results.
- Developing and adhering to the regulations, policies and procedures of the institute.
- Updating the policies and procedures by amendments for increasing efficiency and effectiveness.
- Integrated facilities for sharing intellectual and physical resources.
- Maintaining the secured database of student assessments.

Self-Reliance:

In view of the growing competition and hike in the expenses, generation of additional resources is of high demand to be self-reliant.

Objectives:

- To improve the financial planning for better revenue mobilization
- To optimize the utilization of the resources for being self-reliant

Strategies:

- Making the institute self-sufficient financially for future necessities
- Generating funds through both internal and external sources via student fees, grants scholarships and consultancies.
- Revising the fees on the approval by Fee Structure Committee of Odisha
- Most of the expenditure has been leveled by motivating prospective alumni to webinars/workshops/skill training programmes.
- Improving financial system for better governance and decision making.

Infrastructure:

The institute strives for the upliftment to the “Centre of Excellence” for higher learning which requires higher end instructional and research facilities.

Objectives:

- To create state-of-art learning centres and labs with modern amenities
- To develop eco-friendly campus

Strategies:

- Providing state-of-art laboratories, computational facilities, digitally equipped classrooms and library.
- Providing guestrooms for resource persons and expanding hostels for students
- Renovating old buildings
- Practising cleanliness and hygiene across the campus

Sustainability:

The institute upholds the concept of sustainability in all the aspects. It will work towards achieving sustainability on creating awareness and training programs to imbibe the spirit of sustainability in the individuals of the institute.

Objectives:

- To practice the principle of proper disposal of waste, energy conservation through consistent annual audits.
- To develop energy efficient and eco-friendly procedures for the growth of the institute
- To maintain greenery in the campus

Strategies:

- Harnessing the use of nonconventional energy resources like substituting solar power for conventional power
- Initiating the individuals on the procedures to be followed for environmental conservation
- Regular conduction of the green audit and getting accreditation by the authorised agencies.

Integrated Development:

The institute focuses on individual's growth and development irrespective of caste, gender, creed of the student, staff and faculty. It also promotes individuals' emotional intelligence via positive attributes like resilience, healthy competition among the peers, self- understanding and interpersonal skills.

Objectives:

- To design diversified activities for integrated development of the stake holders
- To inculcate values with leadership qualities among faculty, staff and students.

Strategies:

- Initiating programmes and festivals for socio-cultural development among the individuals.
- Organizing expert lectures on trending issues
- Arranging academic, cultural and industrial tours
- Access to yoga, meditation and self-management activities on regular basis.

Social Services:

The Institute has the responsibility of developing the service motto among the

faculty, staff and students. It also aims to develop to connect with the society with wide range of outreach and extension programmes.

Objectives:

- To locate and identify the issues and the priorities for development in the local community
- To provide platforms for students and faculty to take up social service activities.

Strategies:

- Encouraging faculty and students to take up the socially relevant projects in academics
- Strengthening the NSS wing and Unnat Bharath Abhyan activities of the institute for ensuring greater contribution to the society.
- Sensitizing all the stake holders about the local areas and the revolutionary work to be initiated.

Branding and Social Media:

The institute has a glorious history and heritage of 25 years of rich contribution in creating, advancing and propagating knowledge. Communication tools in integrated manner are desired to enhance the visibility of the institute with national and international bias.

Objectives:

- To build a widespread visibility of the institute in connection with academics, industry and society.
- To create and publicize a brand value of the institute.
- To ensure clarity in communication by all means in the social media

Strategies:

- Promoting institute core values, vision and mission statements, institute logo by highlighting them on boards in all the departments, offices and hoardings in the places of prominence.
- Publishing institute brochure both hard and soft copy (website)
- Designing and updating the institute's informative website
- Setting up institute map at the entrance with directions for the departments, office and other facilities to guide visitors
- Publishing quarterly newsletter with the contributions of the faculty and students along with the events/programs held in the institute
- Uniformity in designing the identity cards, stationery and other communication materials like letter heads, brochures, etc for better communication clarity.
- Effective usage of the social media via LinkedIn, Facebook and Instagram

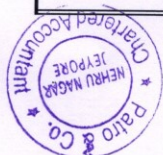

- Affiliating University (in case of Colleges)
Biju Patnaik University of Technology (BPUT)
- Accreditation/ Ranking status (NAAC, NBA NIRF)
NIRF – Applied
- Recognition / Approval (2(f), 12B, etc. as applicable)

➤ **Internal Quality Assurance Cell (IQAC)**

Internal Quality Assurance Cell (IQAC) has been established on 29.07.2013, in the institute with Dr. GouriSankarSahu (Principal) as the Chairman. It works towards realizing the goals of Quality enhancement & sustenance.

Institutional Policy

- Develop a system for conscious, consistent and catalytic improvement in the performance of institution
- Channelize the efforts and measures of the institution towards academic excellence
- To strengthen scholarly research and creative achievement in students & faculty
- To improve teaching and learning with state-of-the-art infrastructure
- To broaden global perspectives.

Regular or Periodical tasks

- Audit is conducted every quarter based on the quarterly end reports submitted by various departments and cells. Non-Conformances are identified, reported and corrective actions are initiated.
- Best practices are identified and are internalized by embedding them into various processes.
- New practices are being adopted by attending Conferences and Workshops that are conducted on "QUALITY ASSURANCE".
- Coordinating with various Units of the University and acting as Nodal agency for the accreditation process.
- IQAC meetings are conducted periodically to review various processes and to evolve mechanisms for Quality enhancement.

Constitution

- a) Dr. BhumikaPanigrahi -----Chairman IQAC
- b) Sri HimansuSekhar Nahak -----Coordinator
- c) Er. Jagannath Das -----Member Teacher
- d) Mr. Siba Prasad Achary-----Member Teacher
- e) Er. Amod Kumar Bagh-----Member Teacher
- f) Er. DebasishaPraharaj -----Member Teacher
- g) Er. Pabani Patra -----Member Teacher
- h) Sri Biswanath Jena -----Member Society
- i) Mr. DhananjayMaharana -----Member Admin
- j) Mrs. SumithraSahu -----Member Admin
- k) Mr. Manoranjan Swain ----- Member Admin
- l) Mr. Hari Gouda ----- Member Local
- m) Mr. Kishore Jhodia ----- Member Student
- n) Mr. SudhansuSekhar Nahak ----- Member Alumni
- o) Mr. PlabanPadhi ----- Member Industry

Parameters of Interest to IQAC

Various parameters are considered for Quality enhancement and monitoring of those parameters is done through monthly reports. Some of the important parameters considered by IQAC for implementation in the Institute are as follows:

(A) Academics

1. Conduction of tutorials properly.
2. Conducting course coordinators meetings regularly for uniformity.
3. Conducting Workshops every Semester related to Core subjects of that Semester.
4. Procurement of library books.
5. Quality of assignments and question papers.
6. Lesson plan verification by HOD.
7. Analysis and follow up action on internal exam of students.
8. Conducting a faculty meeting every month.
9. Conducting a staff meeting every month.
10. Conduction of faculty orientation lecture every month.
11. Conduction of various committee meetings

(B) Student Development Activities

1. Conduction of Seminars.
2. Conduction of GDs.
3. Meetings conducted by various committees in which students are members. (Quality Circles)
4. Participation of students in sports & other hobby clubs.
5. Counseling.
6. Professional society activities.

(C) Industry-Related Activities

1. Guest lectures by industrial experts.
2. Industrial visits and tours.
3. Other industry related activities to be conducted by the departments with the support of the IRP.

(D) Research

1. Publications.
2. Planning for Excellency centre in every department.
3. Planning for International Conference.
4. Consultancy.
5. Innovation and entrepreneurship cell.
6. Faculty deputed to Workshops / Seminars / Conferences outside the Institute.

➤ **Library**

Library is the lifeblood and nerve center of an academic institute which shoulders a great responsibility in harnessing the utilization of the information. It functions as an excellent resource. The present holding of the GK CET library is over 38,500 text and references books with more than 150 journals, periodicals, encyclopedias, classics of both national and international repute.

In addition, the latest titles in the fields of management, Engineering, Computer and allied disciplines are subscribed to the library on regular basis. The spacious and environment friendly reading rooms of the library can accommodate 200 students at a time. The air conditioned digital library provides internet and photo copying facility too. The library is growing at a faster rate in terms of holding and facilities

➤ **Incubation Centre/Start-ups/Entrepreneurship Cell**

Entrepreneurship Development cell has been formed at GK CET to develop the entrepreneurship skills among young minds and to model them as dynamic entrepreneurs. EDC cell targets to help in the development of India's entrepreneurial ecosystem by enabling easy and efficient interaction between its major components spanning students, working professionals, aspiring and existing entrepreneurs, mentors, angel investors, venture capital firms and corporate officials through various initiatives like interactive sessions, competitions, conferences.

Objectives of EDC

- To create awareness about entrepreneurship, skill development, conduct of innovation contests and mentor students
- To provide space and basic infrastructure for student community to discuss, interact with successful entrepreneurs/ businessmen, metamorphose their innovative proposals, incubate their ideas/ prototypes, generate IP and execute their business/start-up plans.
- To support young innovators to work with new ideas and convert them to prototypes and facilitate patenting and start-up ventures.

➤ **Central facilities**

CAFETERIA

Institute's cafeteria is the coveted rendezvous of connoisseurs to unwind their tastes of recipes and hot & cold beverages served by the college cafeteria, which nurtures a vociferous demand during and after the busy academic sessions. The students here relish toothsome dishes of desserts and viands to quench their untiring thirst and hunger. They simply go gaga over taking brunches after hectic schedule of morning session of classes. The wholesome and hygienic cuisine prepared by a bunch of acclaimed chefs at an humble price makes the cafe more enchanting and enjoyable spot. The cafeteria not only refreshes both students and faculty but also helps nurse a bonhomie among all.

TRANSPORT

7 NOS. BUSES ARE AVAILABLE IN THE INSTITUTE TO PLY FOR THE DAY SCHOLAR STUDENTS.

Students can avail the excellent bus services that connect from Jeypore to the campus. Bus concession passes are available from the transport authorities on recommendation of the Institute for the students of nearby locality. Long journey vacation bus/ rail concession pass are available for outstation students.

BANKING

The importance of bank in day-to-day life cannot be underestimated. With a well-furnished bank counter of the Bank of India within the campus, students and staffs can stay relaxed about all their money transactions in physical as well as online form.

Fees can be deposited in the following account

GK CET - 544120110000355

IFSC - BKID0005441

Jeypore Branch

POST OFFICE

GKCET is the hub of communication system. The Post-Office is functioning in the campus which is helpful to the students & staff for sending and receiving mail. All other postal facilities are also available in this Post-Office.

GYMNASIUM

Well-equipped gymnasium is available within campus for students with experienced trainers. Physical activity is good for your mental health. Experts believe that exercise releases chemicals in your brain that make you feel good. Regular exercise can also boost your self-esteem and help you concentrate, sleep, look and feel better. Health plays an important role in every field of life. Our gymnasium is equipped with all modern equipments.

Yoga Center: These centres help and enrich the student with enthusiasm and spiritual feeling. The student's performance is improved with positive attitude.

f) Student Life

➤ Sports facilities

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development. Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigor of life.

Along with learning, a student should spend his time on games and sports also. Either studying or working alone makes us exhausted. We are no longer efficient at doing any work. Sports remove our mental exhaustion. Education without sports is incomplete. The Department of Physical Education and Sports marks itself as one amongst the most efficacious Department of College. It strives to excel at all levels and bring laurels to the college.

Considering the concept of "SPORTS FOR ALL" throughout the entire session we organized Inter-department tournaments for students. It is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students. This venture shall enable the students to have fun, enhance social interaction and test one's physical capability. These competitions also offer a break from the daily routine tasks and recreate or re-energize them.

The following events have been organized for the inter-class sports tournaments for students:

CRICKET, VOLLEYBALL, CHESS, KABADDI, CARROM, BADMINTON, SHOTPUT, JAVELIN THROW, DISCUS THROW

Our college sports persons of respective games (Football, Cricket, Volleyball, Shuttle Badminton (Men & Women),

Athletics (Men & Women) start their practice session and they work very hard to convert their sweat into winning trophies for the fame of our college.

OFFICE OF THE FOREST RANGE OFFICER JEYPORE FOREST RANGE
At / Po. :- Old Forest Training School, Jamunaguda, Near Irrigation Colony, Dist. :- Koraput, Pin :- 764001.

TO WHOME SO EVER IT MAY CONCERN

This is certify that **NSS UNIT, GK CET, GOURA HARI BIHAR, RANIPUT** is working actively toward protection & improvement of Environment by planting huge number sapling every year, not only inside their campus but also over vacant lands near villages. They are also involves local people through awareness to plant more and more tree every year for the betterment of Global Climate. During every year Vonomosthava they used to celebrate it as a big Function by involving local PRI Members, Forest officials & Local public.

I wish the institute all the best for such novel activities.

**Forest Range Officer
Jeyppore Forest Range**

➤ **Hostel details (wherever applicable)**

Secured, spacious and separate Hostel facilities are available for girls and boys within the campus. Accommodation is available for more that 200 boys and 150 girls on twin sharing basis. Trained personnel are present in the hostels to provide a sense of security in the hostels. In additions, trained and experienced wardens take care of inmates. Here you will find a truly vibrant mix of people from all over the country.

➤ **Placement Cell and its activities**

Objective

Placement Department has its objective to establish a mechanism, which will help all the Students & Staff Members of GK CET for their 360 degree Skill & Interpersonal Skill Development and also to provide an environment where Student or Staff can explore their inner potentiality.

Tutoring Services

Get personalized attention and support from our expert tutors. Whether you need help with a specific subject or want to improve your overall academic performance, our tutors can help you achieve your goals.

Test Prep

Prepare for standardized tests such as the SAT, ACT, and GRE with our comprehensive test prep courses. Our experienced instructors will provide you with the tools and strategies you need to excel on test day.

Language Learning

Learn a new language or improve your language skills with our language learning courses. With native-speaking instructors and immersive lessons, you can develop your language abilities in no time.

Professional Development

Advance your career with our professional development courses. From leadership and management to project management and communication, we offer courses that can help you succeed in your career.

Academic Coaching

Get guidance and support from our academic coaches. Our coaches can help you improve your study skills, time management, and overall academic performance.

➤ **Health facilities**

A well-equipped dispensary under qualified doctors with first aid provisions for minor ailments and emergencies is maintained by the institute in order to look after the general state of health of the students in the institute as well as in the hostels. Specialists visit the campus at least twice a month to ensure good health of the day scholars, staff and the inmates of the hostel.

In addition to this facility the college has engaged a dietician to check the quality of food & calorie intake for the students taking food in Cafeteria & Canteen.

First Aid Kits; are placed at important places which can be accessed at any kind of emergency.
