## EXPERIENCE ONE LOCATION FOR ALL YOUR MEMBRANE NEEDS..

### **Membrane Sourcing Group:** Your Global Membrane Solution Provider

At Membrane Sourcing Group, our mission is to streamline the membrane procurement process for customers worldwide. We aim to offer a one-stop solution, eliminating the hassle of dealing with multiple providers. Whether you prefer products from renowned brands like Dupont, LANXESS, Hydranautics, TRISEP, LG Chem, Suez, Pentair, or TORAY, we guarantee to provide an equivalent membrane to fulfill your specific requirements.

Our commitment to efficiency and customer satisfaction means that you can rely on Membrane Sourcing Group to cater to all your membrane needs seamlessly, no matter where you are located. Experience the convenience of sourcing a diverse range of membrane products under one roof, ensuring a hassle-free and efficient procurement experience for our valued customers across the globe.

### MSG will Private Label RO Membranes

## 5 IMPORTANT POINTS OF MSG

- **Customer Care:** The Membrane Group prioritizes customer satisfaction and takes care of customers like no other company, ensuring their needs are met and concerns are addressed promptly.
- **Highest Quality Membranes:** Offering the highest quality membranes available on the market, providing reliable and efficient water purification solutions.
- **Delivery Guarantee:** Ensuring on-time delivery and promising an additional 5% discount in the event of any delays, showcasing a commitment to customer service and efficiency.
- **Competitive Pricing and Warranty:** Providing the best price for equivalent membranes in the market and offering an additional 6-12 month warranty for added peace of mind and value for customers.
- **One-Stop Location:** Serving as one location for all membrane needs, offering a comprehensive solution for various membrane requirements, making it convenient and efficient for customers to fulfill their membrane needs with the Membrane Sourcing Group.

## SOME APPLICATIONS

- Desalination Plants
- Car and Truck Wash Systems
- Drinking Water Treatment
- Wastewater Treatment Facilities
- Industrial Water Purification
- Commercial Water Systems
- Residential Water Filter Systems
- Agriculture and Irrigation
- Pharmaceutical Manufacturing
- Beverage Industry
- Automotive Industry
- Textile Industry

# ABOUT MEMBRANE SOURCING GROUP (MSG) AND OUR MEMBRANES

**CALL TODAY: 386-506-1427**

At Membrane Sourcing Group (MSG), we are committed to meeting water filtration needs across residential, industrial, municipal, and commercial settings. Our key offerings include:

## Whole House and Business Filtration Systems:

These systems provide clean water directly to faucets, spigots, or refrigerators, ideal for homes, hotels, resorts, and industries like petrochemical and food & beverage. Installed at the point of entry, they ensure clean water throughout the structure. (For details, refer to AquaX-Solutions on UV disinfection and portable RO systems with electric, battery, solar, or hand-pump options.)

## Membrane Offerings:

- Commercial RO Membranes: Suitable for businesses like water stores, car washes, large facilities, and manufacturing.
- Seawater Desalination RO Membranes: Vital for turning seawater into drinkable water, serving industries like oil & gas and municipal sectors.
- MF, UF, NF, and RO Membranes: Tailored for various filtration needs, from microfiltration to reverse osmosis, providing solutions for decontamination and demineralization.

## Membrane Separation Processes:

- Microfiltration (MF): Removes microorganisms and solids.
- Ultrafiltration (UF): Eliminates particulate matter, bacteria, and most viruses.
- Nanofiltration (NF): Blocks organic molecules, salts, and softens hard water.
- Reverse Osmosis (RO): Removes harmful minerals, salts, sediment, chemicals (PFOS), bacteria, and viruses, delivering pure water.

MSG ensures high-quality membranes and offers expert assistance in selecting the right RO replacement membrane. Contact us for personalized support.

Thank you for choosing MSG for your filtration needs!
