DESIGN YOUR OWN MENU

Use one worksheet per day. The worksheet has all the information we need to provide you with our chef service. You will actually see these worksheets being used by Chef Luis and Martin during your stay. Please fill in the blanks with your selections.

Time: Select approximate time of meal service.
During vacation times are flexible with proper notice.

Total Entrees: Specific count of which selection your guest prefers must be chosen two weeks before departure.

Breakfast: continental or grill breakfast available and Sunday Brunch

Lunch: two main entrees with 2 side items

Snacks: optional, select from the chef's menu

Dinner: select the dinners or fiestas

Dinner a la carte: select two main entrees, vegetable and side item

A la carte: optional soup, salad or dessert

Kids Dinner menu: select one kid main entrée per meal and 1 side item.

Vegetarian and Gluten free: additional entrees available upon request.

If needed, we will be happy to help with menu suggestions or you can put "chef's choice" in the blanks. Remember no dinner service on Wednesday (flexible) or Sunday nights.

It is not necessary to do the total or \$ boxes unless you find them helpful to figure your budget. We will be happy to provide an invoice.

Use Beverages/Groceries Menu to indicate drinks you would like us to purchase during your stay. If you are planning to purchase them yourself, please review the drink list for the brands that are available on the island. Some groups have us just provide bottled water/soda/liquor for a few days and then they purchase more drinks themselves or re-order during their stay.

Chef service invoice and drink deposit must be paid to Travel for Adventure, Inc. two weeks before departure.

Complete and send back the daily worksheets to casa.gordon@gmail.com .
