WHAT'S GOING ON?

Our Holiday (ZOOM) Party was so much fun, we've decided to host a Virtual get together every Tuesday before the games. (By the way, have you seen the photos from the Holiday Party on the website? The photo gallery is under the "About Us" tab. Scroll left.) Check out Rose's weekly newsletter for more details and the call in number for the weekly ZOOM call.

Just another reminder for Unit 547's Annual Meeting on Saturday, January 30, 2021 at 11:15am. You should have received an email with the agenda and the flyer.

Remember, we need you there to vote for new Board Members and for a minor change to the Unit By-laws. You're eligible for that Stonefire Grill gift certificate if you attend. The 45 minute meeting will be followed by our

regular games at the special rate of \$3.00. Check your email and the website.

UPCOMING SPECIAL GAMES

Monday, 1/18 through Sunday, 1/24 is Silver Linings Week. ACBL is once again sponsoring a week of special games where all points earned will be doubled and awarded as Silver! As usual, the Ventura Unit will not charge extra for these games.

AND FINALLY....

The second (updated) edition of The COVID-19 Solutions Guide: Health, Wealth, Technology and the Human Spirit, co-authored by our own Dr Gary Feldman, is now available on Amazon. It is an ebook with links to scientifically up-to-date articles on the pandemic, public health interventions,

and treatments and vaccines. It also includes strategies for getting care, and advice for vulnerable populations including staying connected and even online dating. You can also access it directly through the authors' website and receive a free subscription to a monthly newsletter and blog. Go to: thecovid-19solutionsguide
