

# How to get the Zoom app on Android phones and tablets

## Step 1

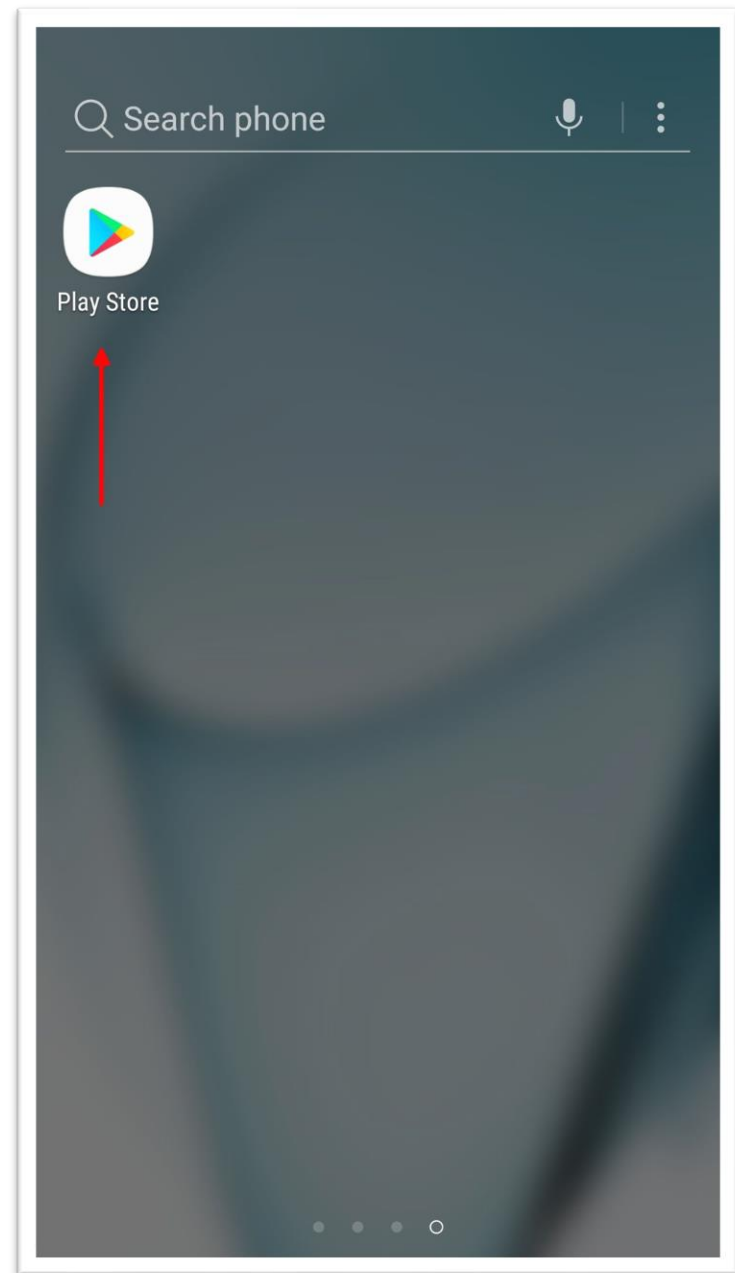

Tap on the Apps icon on your device home screen. This icon may appear either on the bottom app bar of the device or on one of the home screen pages. If you do not see it, you may need to swipe left or right to find it.

## Step 4

Type “Zoom” into the search bar.

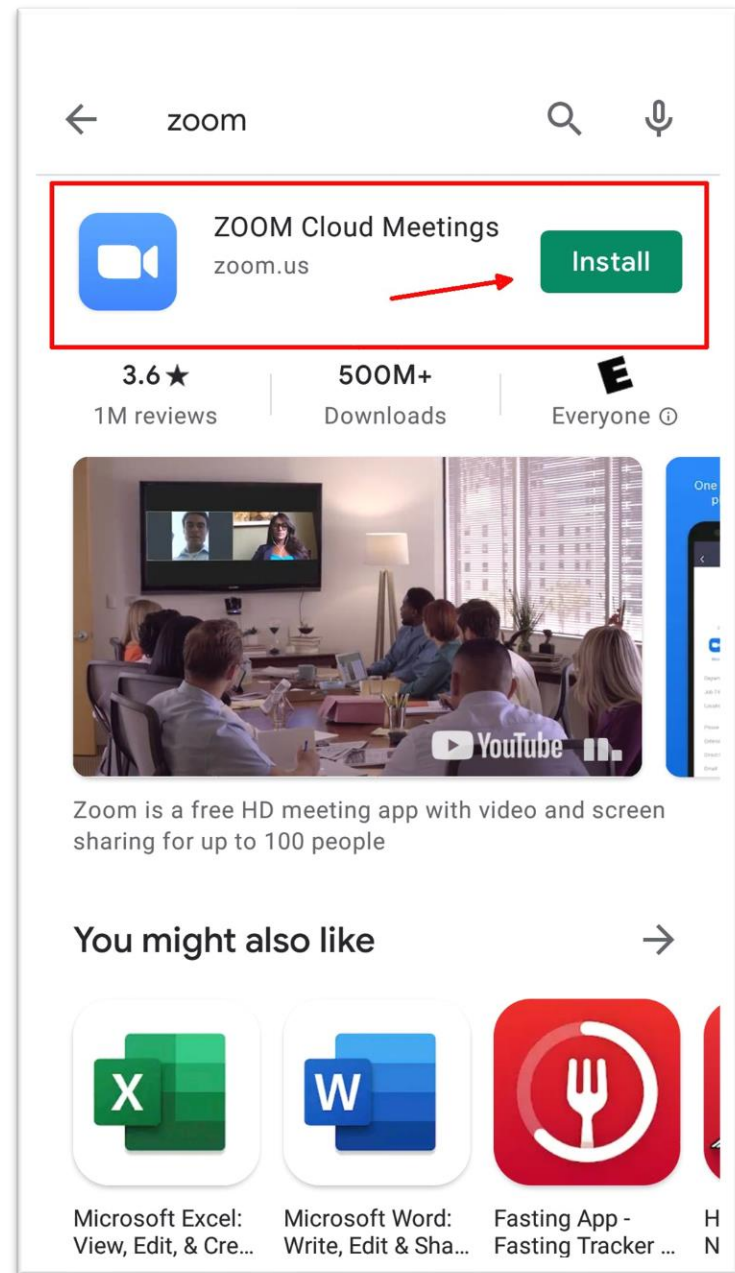

Some recommended searches may show up below the search bar while you type. Tap either “Zoom” or “Zoom meeting ...”. This will take you to a page with apps that best fit your search criteria.
