

# A quick start guide to Bridge Base Online

Bridge Base Online(aka **BBO**) allows players to play the game without leaving the comfort of their home. You can play as an individual or a partnership, against artificial intelligence (BBO's Robots) or other humans, and can earn Masterpoints in certain games.

To access the site on a PC, search for BBO or simply type [www.bridgebase.com](http://www.bridgebase.com) in the address bar. Once there click on **Login/Register** in the upper right corner.

On a mobile device install BBO from your app store, and open it.

On all platforms you will now see a blue button labelled **Become a member (free!)**. Click on this and answer the required questions.

You do **NOT** have to have an ACBL number to join, but if you do have one our club can get funds if you play in certain games.

Once you have registered you will get an email to confirm your registration. Keep this as it also has a link to BBO's quick guide to its features. Now log on.

After logging in you come to the home page. On the right hand side of the PC page, and the bottom of a mobile page, is a tab or icon labelled **Account**. Click in this to enter information about yourself.

Note: All images are from a PC, mobile devices will look similar but not identical.

The screenshot displays the 'Account' page for a user named 'pmann'. The page is divided into several sections:

- Top Navigation:** Buttons for 'Log off', 'Help', 'BB\$', and the user's name 'pmann' with a '2+' rating.
- Account Header:** A dark bar with the word 'Account' in white.
- Navigation Tabs:** 'Profile', 'Settings', 'Convention cards', and 'Deal archive'.
- User Profile:** Shows the user's name 'pmann' with a '2+' rating, a password field (masked with dots), and a 'Required' label. Below the password field, it indicates 'Max 10 characters' and '8/10'. A 'Confirm password' field is also present, also masked and labeled 'Required'.
- Real name:** 'Parker Mann'.
- Other:** A field for 'Other' information.
- Skill level:** A list of skill levels: Private, Novice, Beginner, Intermediate (highlighted in yellow), Advanced, Expert, and World Class.
- Country:** A list of countries: Ukraine, United Arab Emirates, Uruguay, USA (highlighted in yellow), Vanuatu, Venezuela, and Vietnam.
- Right Sidebar:** Vertical navigation links for 'Messages' (with a red notification icon), 'People', 'History', and 'Account' (highlighted in yellow).

Here you can fill out multiple convention cards and other information about yourself.

Note the **BB\$** tab at the top. This allows you to put money on account in order to play in tournaments. It takes credit cards directly or Paypal.

The left side of the Home Page has multiple links to different sections of the site.
