

# Alamoosook Lake Association Courtesy Boat Inspections

Charlie Dodge/Pete Walton  
Co-Chairs

# CBI - 2020

- Funding received for 2019 from Ram Island Conservation Trust deemed to be sufficient to carry us through 2020
- Two new volunteers for 2020 bringing total to 9
  - Chip Stubbs, Caroline VanLeer new in 2020
  - Charlie Dodge, Pete Walton, John Greenman, Dorothy Hamory, Pam Grindle, Ken Miller, Tad VanLeer
- Same two paid
- 6/26/2020 - CBI begins
- 9/7/2020 – CBI complete

Thanks again to All Volunteers  
We could always use more!!!

Grant	\$8,000.00
Grant Remaining	\$721.00

**We will submit grant request to Ram Island Conservation Trust for 2021**

# Interesting Facts

- Several inspections were made on the same boats on different days
- No large groups this year as last year (Covid 19 Impact?)
- Almost 100% of boaters were friendly and cooperative
  - Most were aware of the invasive plant issue and were appreciative of our efforts. Most were *not* aware of microorganisms, mussels and fleas issues
- Although not required, we input all inspections into the Maine Department of Environmental Protection (DEP) database
- We inspected party boats, fishing boats, jet skis, kayaks, canoes...even paddle boards!
- Only 3 boats were from out of state

# Summary

- Our program is mature with well established process
- We will be providing a summary report to Ram Island Conservation after board approval of presentation
- Special thanks to the volunteers that joined the team on the ramp at the fish hatchery
- Again, Special recognition for the excellent job done by our two paid inspectors
- We could use additional volunteers to help reduce the commitment of our current volunteer group
  - Even a 2-3 hour shift once a month would help
  - Contact Charlie or Pete if interested
