Note:

Please take note of the following important reminders regarding our payroll schedule:

1. **Contractors must work two full weeks before submitting their first pay. This requirement ensures that all contractual obligations are met before payment processing begins.**
2. **Stat holiday payments for contractors will be based on each province's regulations. As a contractor, you will not receive all the same time and a half benefit as unionized staff nurses of the health authority. Only official provincial stat holidays will be covered under our payment terms.**

If you have any questions or need further clarification about the payroll schedule or payment policies, feel free to reach out to our payroll department at payroll2@911nursesgta.com.
