Sometimes **disco two step** or **California two step** is a [partner dance](#) initially developed by [Buddy Schwimmer](#) in the mid-1960s. The dance is also known as "Two Step" and was "one of the most popular forms of contemporary social dance" as a Disco Couples Dance in 1978.<sup>[1]</sup> It is frequently danced to mid-tempo ballads in 4/4 time that have a characteristic quick-quick-slow beat. A classic example is the song [Lady In Red](#). This works well with many country songs as well. No Partner – No problem.
