

Machinery, Sausage Clips, KP Wire, and Loops

RE: Food and Safety Inspection Services' revised policy on packaging materials used to package meat or poultry.

This letter is to advise you that string loops distributed by Silver-Clip® LLC are not expected to come in contact with meat and poultry products; that the loops are chemically acceptable for use on packaging material which is in contact with meat and poultry products; that such loops are in compliance with the Federal Drug, Food, and Cosmetic Act and applicable food additive regulations.

The brand name (or code designation) of the clip is SILVER-CLIP® clip.

The brand name (or code designation) of the loop is SILVER-CLIP® loop.

Sincerely,

SILVER-CLIP® LLC

Mark Prokurat
