

# CHRISTMAS MOUNTAIN VILLAGE

"You're going to see improvements this year, and we'll just keep improving. I'm excited to see where we can take the course next. I want this to be the best course in the Dells. That's what we're working toward."

**-Gregg Scherneck,**  
**Course Superintendent**

"The Oaks...is the eye-catcher – especially the back nine. The views there are stunning and the course stands up to any in the area."

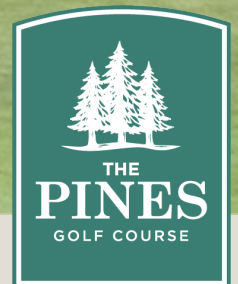

**-Len Ziehm/The Chicago Herald 2022**

"Of all the courses in the Dells area, we offer the best views and the best value. On the back nine of The Oaks, every hole is a really picturesque hole. You can see the bluffs in the background and the way the mature trees kind of build a backdrop is serene."

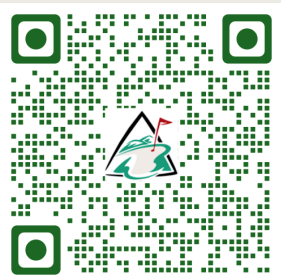

**-Jacob James, Golf Professional**
