

Mulligan's is the window to the mountain where guests can look out onto a portion of The Oaks golf course, or on the ski and tubing hills in winter.

We co-host many golf outings and fundraisers alongside our Pro Shop with gourmet meals designed especially for your group, and irresistible desserts prepared by our talented chefs.

Our menu has choices for families, date night, game day, girls night out and unique specials for all the holidays. Come watch the game on our big screens or have a quiet night out with that special person.
