Carer Mate – for Workers & Volunteers

Carer Mate has been established to solve the problem of worrying about checks and monitoring of workers, volunteers or other individuals requiring National Police Checks and/or Working with Children monitoring.

Carer Mate takes the headache out of your checks – apply once and share your check with whom you choose. Enrol on a plan and avoid cumbersome applications for 10 years.

- **Portal view of your worker dashboard with your check records**
- **Weekly reports on Care worker Status**
- **Share your current police check, VISA check with employers or organisations via secure portal sharing feature**
- **You control access to your check portal - you can revoke sharing access at any time.**
- **Avoid re-applying for police checks for 10 years – simply enrol on a Carer Mate Plan**
- **Single police check available. Can be shared via secure portal sharing feature**
