

This was a commissioned piece from WildSide West T-shirts, based on another artist's line drawing that was a good seller. I did a great job on it and have kept this hoarded away since the 80's. Mermaids, Unicorns and Rainbows over the Ocean never go out of style. We all love fantasy! This would require UV protection to prevent fading over time. Size— 20 x 26" Unframed. \$175.00
