

PANDA PARADISE

A Panda paradise is a clean, unspoiled environment where animals and plants can live as nature intended. There is plenty of food for all of the creatures in the Panda's habitat. The air is fresh, and the water is unpolluted. Whoops! There is someone who does not belong in this picture. Can you find him? Cross him out!
Uh-Oh! There are some other things that do not belong!

(Answer on last page.)
