

2018-2019

## **Hello Crowchild Parents & Skaters,**

Welcome to the Crowchild Skating Club 2018-2019 StarSkate and Competitive Skate programs. We are excited to welcome new and returning skaters to the club. We are happy to continue ON-LINE CREDIT CARD AND E-TRANSFER PAYMENT options this year to compliment the ON-LINE REGISTRATION.

The Crowchild Skating Club, through Skate Canada, provides to its members an opportunity to participate in skating for fun, fitness and achievement of personal goals.

### **Skating Levels:**

Skating levels are determined by a skater's current dance and skills levels. Levels for ice sessions are designated based on primarily on skater safety, but also takes into consideration the need of the club to be financially responsible about ice costs and to optimize ice usage. Our levels and requirements for each are as follows:

1. **Junior:** Any skater that has completed CanSkate Stage 5 or is approved by the CSC professional coaching team and is working on Star 1-5 Freeskate.
2. **Intermediate/Senior:** Must have passed all levels up to and including Senior Bronze dances and/or skills or completed Star 5 Freeskate.

We recommend a minimum session commitment for each level. The recommended commitment for home club members is: Junior skaters a minimum of 2 ice sessions and for Senior skaters a minimum of 3 ice sessions per week.

### **Skater Quotas:**

The number of skaters registered for any session will be limited to 20. Once the maximum has been met registrations for that session will be cut off and coaches will be notified that pick up ice will not be available for the season during that time. Spots will be filled on a first come, first serve basis. **Be sure to register early to ensure you get your preferred sessions.**

### **Ice Costs:**

Ice costs this year are **\$11.35 per hour** for prime time use and **\$8 per hour** for non-prime (morning) use. The total cost per session is calculated based on these hourly costs and the length & number of sessions that are available between **September 4, 2018 & April 29, 2019.**

In the event that the Club needs to cancel any scheduled ice-time, the equivalent time credit will be given on pick-up ice. Any credits over \$9.99 that have not been used at the end of the season will be refunded at the request of the skater. Any other ice times missed by the skater will not be replaced.

**Pick-Up Ice:**

Pick-up ice charges for In Club members are **\$14 per hour**. Out of Club member charges are **\$20 per hour**.

**There will be no partial pick up allowed.**

**Volunteering:**

Apart from our professional coaches, our club depends solely on volunteers to ensure a smooth operating year. In order to be successful and share the workload, we require volunteers to fulfill many tasks. While we typically get 200 families in our CanSkate program, the entire club is run by the StarSkate families, which consist of between 35-45 families. Volunteer positions will be emailed out by our Volunteer coordinator as they come up throughout the season. Please respond to the emails in order to fulfill your time requirements. Positions will be awarded in the order they are received. Each family is required to fulfill a **minimum of 10 volunteer hours per skater**. The volunteer deposit is a post-dated cheque for **\$250 per family** (Please date cheque for April 1, 2019) which will be returned at the end of the season if the 10 hour commitment is completed.

**Music Playing:**

One of the most crucial aspects of our on-ice program is to ensure that we have an adult in the music box during ice times. Each family will be responsible for playing music on a rotating basis on the days their child/children skate.

The music times will be assigned evenly per skater throughout the year and schedules will be emailed to each family. **If you are unable to play a time, you will be responsible to find a replacement prior to your scheduled music day.** Training sessions for new members will be offered in the fall. Detailed music playing guidelines are available on our website. In addition, a printed copy of music playing rules, guidelines and hints will be included in the music playing binder at the rink. If a family has any concerns, about fulfilling their music commitment, please contact the **Music Coordinator** for other options.

Your music commitment deposit is **\$100 per family** (Please date cheque April 15, 2019). When you have fulfilled your music commitment, your cheque will be returned to you. **Each time you miss your music commitment without finding a replacement prior to the session, \$25 will be deducted from your music deposit.**

**Fundraising:**

Fundraising is a necessary component of any organized sport to offset program costs. At CSC we offer fundraisers that can provide both **crucial funding for the club** and benefits for participants such as Purdy's chocolates (which allow you to take care of some of your holiday shopping) and grocery cards from Safeway & Co-op (for your grocery and gas needs). Purdy's chocolates benefit the club up to 25% of the total sales while the grocery cards give back up to 8% on the face value of the gift cards which tend to be purchased in higher amounts. **All fundraising monies earned go directly to the club so the more you are able to fundraise the better the financial position of the club to subsidize ice costs and reduce registration costs for participants in the future.** The fundraising commitment for the year is **\$100 per skater** and is secured with a deposit cheque post dated for April 1, 2019. If you do not wish to fundraise, please indicate so and date your cheque no later than April 1, 2019.

**Communication:**

Communication is key to the success of any organization or business. Our board meetings are held the third **Tuesday** of September, November, January, March and May at 7:00pm in the upstairs boardroom (Pat Laughton Room) at the Crowchild arena and we strongly encourage you to attend.

If you have any questions, ideas or concerns, please don't hesitate to contact the club at [crowchild.skating@gmail.com](mailto:crowchild.skating@gmail.com). If you wish to speak with any members of the executive specifically, please email the general email and it will be forwarded to the correct executive member..

## WELCOME TO THE 2018-2019 SKATING SEASON

### **CROWCHILD SKATING CLUB COACHING STAFF**

Prior to registration you must choose a coach and contact them to determine if they have space available and if so what days, type and number of lessons per week they can give your child.

Coaching fees are charged by and payable to the individual coach and are separate from Ice Costs which are charged by Crowchild Skating Club.

A full list of the coaches at Crowchild Skating Club and their contact information is available on our website.

Please contact the coaches in regards to availability and rate. Additional fees will be charged for and may not be limited to the following: Test day coaching, Semiprivate lessons, Music select and tapes, Choreography, Competition coaching. Competition expenses (including lost lesson fees, hotels, travel and food) and Dance partnering.

### **STROKING**

This important component of skating is included in the ice costs and will run on the following dates:

Juniors on Wednesdays beginning September 27, 2017 - March 28, 2018

- Intermediate/Seniors on Mondays beginning September 25, 2017 – April 2, 2018

### **LATE SEASON REGISTRATION**

Skaters wishing to join the club during the season do so at the discretion of the Crowchild Skating Club executive and their coaches. Ice fees will be prorated based on the number of sessions remaining in the season and will also include yearly Skate Canada membership fees, Crowchild Arena user fee and Service Charges. Those registering after January 15, 2019 will be exempt from Music, Volunteer and Fundraising commitments but are strongly encouraged to familiarize themselves with music playing by shadowing other club member or executive.
