Securities and Investment Advisory Service with and through Financial Network Investment Corporation (FNIC), Member FINRA & SIPC OSJ Office: OSJ Office: 3478 Buskirk Avenue #300 Pleasant Hill, CA 94523 —888-914-1113. Mutual funds and variable annuities have market risk and may lose value, including the possibility for principal loss. Before investing, you should carefully read the prospectus, which contains this information. You may obtain the prospectus from one of our representatives. Index annuities have limited upside potential and may not appreciate as much as a direct investment in the stock market. Participation rates are subject to change. Annuities may have surrender penalties for early withdrawal prior to maturity and guarantees are subject to the claims-paying ability of the underlying insurance company issuing the annuity.
