

What is Education?

Let's grab our daily dose of a Biblical understanding of education.

Two major key points in education are a set of instructions and a setting of discipline. In order to understand these key points, we need to understand how God defines these two concepts.

Define Instruction:

*Look up the following scriptures regarding **instruction**.*

*Circle every time you see the word **instruction** and record the main idea in the chart below. You may also want to record the main idea in your Bible for future reference. It may benefit you later in our study.*

<i>Job 36:10</i>	<i>Proverbs 1:7</i>	<i>Proverbs 4:1-2</i>
<i>Proverbs 15:32</i>	<i>Proverbs 19:20</i>	<i>Titus 1:9</i>

Define Discipline:

*Look up the following scriptures regarding **discipline**. Circle every time you see the word **discipline** and record the main idea in the chart below. You may also want to record the main idea in your Bible for future reference. It may benefit you later in our study.*

<i>Deuteronomy 8:5</i>	<i>Deuteronomy 11:2</i>	<i>Psalms 94:12</i>
<i>Proverbs 12:1</i>	<i>Ephesians 6:4</i>	<i>Hebrews 12:8</i>

In order to fully grasp what education is, we need to understand the focus behind education. Read the definition of education listed at the beginning of the week and in your own words list what education is intended to do.

DIG DEEPER & SEEK SCRIPTURE:

Take time throughout the week to define additional words from our original definition of education: You can also add these to your TRUTHFUL Homeschooling Chart. Look up scriptures that include these words and record those that speak to you or require additional study.
