

NEW PATIENT INFORMATION

It is best to arrive 10 minutes prior to your appointment so we can complete the set-up of your chart. Please be sure to bring an ID and your insurance card(s) that must be scanned to your chart.

The new patient paperwork **is an editable PDF**, which allows you to fill in the information directly on the form **(don't forget to save it)**. **Or you can print and manually fill out.** Either way it is fine to just bring with you to your appointment or you can email it back to Office@Trillium-Medical.com

We also use a HIPPA compliant secured texting system that allows patients to communicate with our office 7 days a week, should you have a general question, appointment request or change, medication refill, etc.

The number is **561-677-8033** We recommend that you set as a contact in your phone. We also use this for automated appointment reminders and confirmations.

Our office is in the Baptist Health City complex (behind the Super Target)
Link to our web site: www.TrilliumMedicalCenter.com

The address is:

Trillium Medical Center
10301 Hagen Ranch Road
Suite C-180
Boynton Beach, FL 33437

You can enter from Hagen Ranch Road and follow signs to Entrance C, or from Enterprise Center Blvd off Boynton Beach Blvd and follow Enterprise directly to entrance C.

When you enter Entrance "C", our offices are on the right-side Suite 180.

Should you have any questions in the interim, we encourage use of our secured texting system, or you can call our office at 561-736-0881
