## Judgement Justified

America is no longer the nation we grew up loving and respecting. The Puritans would not permit a Catholic to hold any office of authority in America. They fled Europe because of the Pope and his Catholic servants and their atrocities. Now the Catholics hold every high level position in the government, destroying from within.

Was Charlie Kirk a Christian or was he an apostate like Billy Graham? Erica Kirk is a devout Roman Catholic racking in millions. Chameleons

America staged a coup and overthrew the government in Ukraine and installed their Nazi counterpart Zelensky in 2014. America has been using Ukraine as their mercenary army to wage war with Russia. America is responsible for the deaths of millions. America's hands are covered in blood.

Did the Democrats steal the 2020 Presidential election? There are many with infallible proofs, but the Supreme Court refused to hear them. Are they all guilty of treason? If so, President Trump was the legitimate President of America, not the Biden regime.

Was the government behind the assassination attempts against president Trump and then telling a multitude of lies to cover it up? Will there be more?

Did the government blow up the federal building in Oklahoma where a group was investigating Hillary Clinton and were about to issue a subpoena for her arrest?

Did the government blow up the Twin Towers? Was a group investigating the two trillion dollars missing from the government budget in a room there? Did an airplane fly into their window? Was there more than airplanes involved?

Many are saying Obama is a homosexual and married to a man with proofs? Jone Rivers said so and got a heart attack about a month later.

In 2014 the Government had an armed standoff with a cattle rancher Clevin Bundy, family and friends in Bunkerville, Nevada. The government was trying to stop him from grazing his cattle on Fed. Land and fine him 1 million for doing so. There are no limits to government evil. Did the government shoot at his car on its way to the State Police to turn himself in? When Bundy got out of his car did a government sniper assassinate Clevin Bundy?

June 8, 2017 Did the government mass murder a group of Christians at a country festival in Las Vegas? (60 people were killed and more than 400 were injured.) Did they then blame it on a lone man surrounded with guns in a hotel room? Was the supposed gunman already dead and placed in a room full of guns? Eyewitnesses told of many shooters among them in Swat gear firing at them. Many government and media lies following.

Many are saying the government is behind most of these mass terror attackers. Are they?

Supreme Court Judge Scales proved and supported the Second Amendment rights of the Constitution. Did the Obama government threaten him if he did? He was given a heart attack at a party shortly after.

Obama's chef Tafari Campbell found dead in Edgartown Great Pond, Massachusetts. A supposed paddleboarding accident. Did the Obama's murder their cook and dump his body in pond?

Did the Obama government give the American technology for Hypersonic missiles to Russia? There is no defense against them.

Did Obama government give the American invented Internet and all it's technology and it's control to Europe?

Did the Government open the border and flood America with millions of illegals, terrorists, murders, etc.? Are they bringing them in by air, sea and land to destroy America?

Did the government go to war with Iraq based on lies about weapons of mass distribution?

Hawaii was warned about an eminent attack by Japan on Pearl Harbor. They received a 20 minute warning in advance, but did not deliver the message. Did the government do this to start WW2?

Did the government create Covid-19 and the genocide vaccine which has killed millions and is destroying millions more? Is there more genocides in the works?

Did the Government overthrow the government in Ukraine and set up the Nazi Zelensky to wage war against Russia who was a friend? Have they started WW3?

Did the government use a Lazar weapon to selectively incinerate homes and people to death in Hawaii?

Did the government use the Harp weapon to create a earthquake in Turkey killing thousands? Which they predicted two days in advance.

Global warming is all lies. Is the government at war with cattle, chicken, fish, food, water, weather, land and private property and all its true citizens in America? Why does the government want to take your guns away and deny you self defense?

Are there more than 125,000 children missing at the border? Have they been delivered to the government pedophiles? Are there hundreds of children missing from the Maui fires in Hawaii?

Genocide Before your eyes. Is your Government spraying Death in your sky overhead? This is what is being sprayed over your head: Stratosphere Aerosol Injectables, Silver Iodine, Silver Dioxide, Aluminum Barium, Strontium, Cadmium, Polymers, Micro Plastics and Black Mold. Chemical trails in the sky above.

Has America murdered more than one and a half million babies? They call murder Abortion. Have they murdered and chopped them up and sold the body parts?
