FREEDOM RIDERS**

**IN IT TO END IT.**

## **CANOPY OF HOPE - FREEDOM RIDE** **October 14-20, 2023**

**Canopy of Hope Freedom Riders** are riding a self-supported bike packing route from the Gulf Coast in Pensacola, Florida to the East Coast in St. Augustine, Florida to bring awareness to the travesty of Human Trafficking and to raise funds for **Canopy of Hope**, a safe, temporary shelter for women.

Sponsors that donate \$500 and above will be highlighted on our website for one year and at all Human Trafficking Awareness events that **Pensacola Dream Center** participates in. There will be a special VIP reception for these sponsors on November 3rd. Will you please help us?

### **SPONSORSHIP LEVELS (Highest to Lowest):**

#### **BUILDING A LEGACY OF HOPE - \$20,000 plus becomes a monthly partner with PDC/COH**

Walking a person to freedom from trafficking and sexual exploitation and abuse is not a sprint but rather a marathon. These sponsors see the big picture and want to be a part of the marathon of getting a person to freedom and independent living.

#### **REBUILDING - A New Story - \$10,000**

This amount will help us take 10 women through Canopy of Hope and to their next step, whether it be addiction recovery, trauma care, transitional living or whatever it takes for her to rebuild on a new foundation with the vision God has placed inside her.

#### **RECOVERY - Healing - \$5,000**

This amount will help us take 5 women through Canopy of Hope where healing begins. Healing from trauma and abuse is not a one-time event that has to begin somewhere. We have a trauma counselor that comes once a week, where they can begin this journey. We also pair each person with a coach/mentor to begin the marathon of healing with them.

#### **ROOTS - Growth in a Healthy Environment- \$3000**

This amount will help us take 3 women through Canopy of Hope and allow them to grow. They flourish and HOPE begins to take root in their heart and mind. This is the nourishing phase where next steps are being prayed over and lots of fun normal activities are enjoyed. The laughter and lightness of heart that comes with our volunteers is truly refreshing to these ladies. One of their favorites is the weekly visit to the spirit horse stables for equine therapy.

#### **VISION - For a New Future - \$1000**

This amount will help us take 1 woman through Canopy of Hope- Hope is alive and she begins her journey with vision for a new future. Many have never experienced any kind of hope and it is like is this real?

#### **HOPE - is Birthed - \$500**

This amount will help pay for their next step, whether is a safe house, recovery or transitional living. From the moment they enter Canopy of Hope, they begin to experience a foreign feeling. "I am SAFE" the peace and love of this place permeates the atmosphere as their every need is met and they begin to believe that they can trust us. When Hope is birthed, it is light a light comes on inside them.

#### **AWAKING - "I need HELP" - \$100**

This amount will help pay for our answering service. When someone calls our crisis line, our service immediately puts these calls through to one of our amazing advocates. This is so crucial for them to hear love and support from the other end of that phone line. Sometimes it is the first call that they come to us and sometimes it is the 5th, 6th or even 10th time. Many of these women do not realize the gravity of what has happened to them so having trained trauma informed advocates is crucial.

#### **I am IN IT to END IT! \$\_\_\_\_\_ any amount**

For everyone to be a part of this movement to reach, rescue and restore these precious women. No matter the amount, your generosity is celebrated! We are so grateful for one more partner that wants to make a difference.
