Dear Sir,

We have worked with CH Environmental Services since 2019. They have provided and implemented a business management system compliant to ISO 9001 so that we can obtain accreditation.

Following the satisfactory ISO support provided, we have contracted with CH Environmental for providing safety support services and general business management support to our company.

We recommend the services of CH Environmental Services and we plan on consolidating our working relationship by cooperating on future work.

We trust the above is in order, but should you require additional information please do not hesitate to contact us on enquires@gtechenvironmental.co.uk.

Yours faithfully,
