Early Gift for Members

🦋 This month NHC purchased a van. Now we can pick and drop off members. As well as taking members to appointments, errands, and field trips. With the new edition of the van, we are hoping members can come to our center easily.

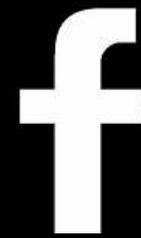

Annual Holiday Party

🦋 On the 23rd, we celebrated the holidays with members. We served prime rib, ham, yams, 4 different pies, and more. Members received gifts and blessing bags. We were able to eat pulled pork, play bingo, and receive gifts. Although 2020 has been a difficult year, we were all able to give thanks and celebrate one another.

New Year's Eve Celebration

🦋 On New Year's Eve, NHC had a large feast of food. With ribs, chicken, meatballs, polish sausage and more- there was plenty to enjoy. Staff and members played many card games together, while listening to music to send off 2020. Ending the difficult year on a high note at Northern Hope Center.
