NAMI Peer Support Meetings

🌱 The National Alliance of Mental Illness is now hosting their Peer Support meetings at the center again! Meetings will be every 2nd and 4th Monday of the month, from 6:00-7:30 PM. The first meeting will occur July 12. Anyone is welcome to drop by and be apart of the support group.

NHC Garden Updates

🌱 Northern Hope has upgraded the garden table into a planter box. Now members can grow fresh vegetables such as lettuce, onion, basil, kale, dill, broccolini. Potted plants from last month have been growing tremendously and have started to bloom flowers!
