Thanksgiving Feast

- NHC welcomed members to join our annual feast. Members were welcomed to comfort food, a comfortable space, and Coronavirus relief bags. As well as offering to eat your meal at the center, to-go boxes were available to take.

Coronavirus Grant

- Towards the beginning of the month, our center received a new grant from the Alaska Community Foundation. This grant assists our members with rent, groceries, transportation, cold weather needs, coronavirus needs, etc. We are fortunate we can help our members more with this grant.

Radio Advertisements

- Since the last two weeks of November, NHC has had advertisements on the radio. These ads are on stations working with IHeart Radio. Be sure to listen to your local radio stations to catch our advertisement. The advertisements will be occurring until the end of December.
