### Tie-Dye Friday

- In the beginning of the month, members got to tie-dye t-shirts and eat pizza. Members were able to socialize while getting creative with their shirts. Some tie-dyed shirts for members unable to come, and some tie-dyed their own pants!

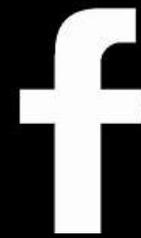

### Thank you Alicia!

- Our Program Director Alicia left the Northern Hope family this month. She has been helping NHC over the past year. Staff and members got to say goodbye to Alicia with burgers and cake. Northern Hope will miss Alicia immensely, and hope she enjoys the warm weather!

### Halloween Party

- At the end of the month we celebrated Halloween. Members got to enjoy sloppy joes, festive treats, and the movie *The Witches*. Our costume party was optional, and we saw greasers, hippies, and patriot costumes!
