UNSTUCK Conference is created and hosted by Lori Vober. www.lorivober.com

Life is full of unplanned challenges. Hope and Joy do coexist through those trials. It is a choice to get stuck in those uncontrollable circumstances or continue to persevere and depend on our faith to better, day by day, often trusting in God's plans over our plans. The UNSTUCK Conference was created to encourage others based on my personal journey as a hemorrhagic stroke survivor at the younger age of twenty-nine.

The sponsor fee is \$100. This can be paid through my association with a non-profit (Animals and Humans in Disaster) as a tax deductible donation with Zelle, Venmo, or credit card through Square.

Your sponsor fee includes:

- Entry into the conference with all the perks of an attendee, including breakfast and lunch (sponsored by Chick-fil-A).
- A table, tablecloth, and chair outside in the vendor area. Our church has a beautiful outside area with chairs and a nice sitting area. Registration/Check-In, Raffle Tickets, Sponsors and Vendors, and Food will be outside.
- Sponsor and Vendor time will be 7:30-8:30am before the conference starts, during the hour lunch break from 12-1pm, and as attendees leave at 4:30pm.
- You will be highlighted as a sponsor on the conference website, in the printed brochure to each attendee, in each attendee bag on a postcard, and on each table as part of the centerpiece.
- The vision for this conference is that attendees will walk away more encouraged, engaged with others, and equipped with resources than when they came. Everyone loves to buy things at a conference setting so anything you sell or give away will be appreciated.
- For any questions, please reach out to Lori at lvober@msn.com or cell 480-600-2962 to connect more.
- It would be a blessing to have you join the UNSTUCK 2026 TEAM!
