## KEY FEATURES

**★** Large colourful graphics for easy consumer recall

**!** Product Name easily identified

**?** Where to use

**🌱** Main garden use

**👉** Application Instructions

**Use Outdoors**

**ALL PURPOSE BLACK EARTH BLENDED SOIL. GREAT FOR TOPDRESSING LAWNS, BUILDING GARDEN BEDS AND AMENDING EXISTING GARDEN BEDS.**

**TOPDRESSING LAWNS**  
Use directly to topdress your lawn and fill in bare patches. Add 25 to 40L per 100M<sup>2</sup> and water in well. Topsoil Plus is rich in humus - helps retain moisture and adds grass seed to grow.

**GARDEN BEDS**  
Use directly on and around gardens. Apply 30L per 10M<sup>2</sup> or create a new garden using Topsoil Plus as the base material. This rich humus based soil is a great medium for many plants and root development.

**WHAT'S THE PLUS?**  
Our special blend of nutrients and humus, creating a very balanced soil. The nutrients will boost plant growth in your garden beds with humus.

**Guaranteed Minimum Analysis:**

Total Nitrogen (N)	0.2%
Total Phosphorus (P)	0.05%
Soluble Phosphorus	0.02%
Water Soluble Potassium	0.05%

30 litres
