

Delivery

Stone & Soil has three truck sizes to provide optimum delivery prices and service to meet our customer's specific needs. Delivery is a flat fee based on mileage to and from Stone & Soil, with a two yard minimum per load or on palletized material a one ton minimum. Delivery rates do not include the cost of materials.

18 Wheeler delivery prices start at \$175.
 15 Yard End Dump delivery prices start at \$45.
 8 Yard End Dump delivery prices start at \$45.
 Delivery of pallets of stone start at \$75

Weed Barrier

3' X 50' Roll	\$16.99
3' X 100' Roll	\$32.99
3' X 300' Roll	\$79.99
4' X 100' Roll	\$39.99
4' X 300' Roll	\$99.99
6' X 300' Roll	\$149.99
9' X 300' Roll	\$189.99

Coverage Per Ton

Coverage per ton is an estimate. The best way to save money on materials is to estimate how much material you need by drawing a sketch of your project.

	<u>Square Ft.</u>
Select Thin 1" to 1/2"	150-180
Patio Grade 1.5"-2"	80-100
Slabs 2"-3"	75-100
Building Stone 3"-5"	35-40
Chopped 4", 6", 8"	40-50
Dry Stack 6" X 6"	20-25
Dry Stack 8" X 8"	15-18
Flat Stack 3"-5"	15-18

Compost

Compost is the key to healthier soils. It increases soil fertility by adding organic matter rich in nutrients. Some of its benefits include loosening soil, increased water holding capacity, aeration, and inhibits soil diseases. Compost is nature's finest at promoting healthier soil life.

	1/2 Yd.	1 Yd.
SSD Compost		
Horse, Poultry and Molasses	\$27.00	\$52.00
3/8" Manure Compost Screened	\$22.50	\$42.95
*OMRI Listed: Made with cow and horse manures, poultry & vegetable waste.		
Landscaper's Compost	\$19.50	\$35.95
Made with San Antonio Waste Water.		
*Organic Materials Reviews Institute		

Soil Mixes

------------------------------------	---------	---------

Natural Stone Products

Natural stone is a product of Mother Nature. The color and texture are part of the uniqueness and beauty of natural stone. Color and texture changes occur in the layers of the earth, in the location they are quarrying, or by the minerals found inside the layers. At Stone & Soil we try to provide the highest quality and most consistent products.
