

**RAISIN CHARTER TOWNSHIP PLANNING COMMISSION
MEETING NOTICE FOR MARCH 10, 2026**

The Raisin Charter Planning Commission will be reviewing the final site plan submitted by DTE Electric Company for the Beecher Solar project. This project has been previously approved. The site plan submitted by DTE shows the minimal nature of changes to the layout for which DTE is seeking approval. DTE's site plan remains compliant with all applicable zoning regulations while maintaining the planned overall generating capacity of 80 megawatts.

This review by the Planning Commission is required for proposed changes from the initial site plan approval per Ordinance Section 9.90.7

Dale Witt, Treasurer
Raisin Charter Township
