Sunday 17th May 2026

A Big Green Hello :)

...and welcome to our fabulous 4th year of the Big Green Scunthorpe 10k!

Taking place on **Sunday the 17th of May 2026**, with a start and finish, right in the heart of Scunthorpe, North Lincolnshire and surrounded by the fantastic Central Park.

We're back in 2026 with our fourth time running this event, and it's been great watching it grow and we're still surprised at the amount of spectators... we can't wait to see how many there are this year!

The start and finish will be next to and in the lovely Central Park, with a fantastic spectator friendly running route (so lots of cheering for runners)!

A BIG THANK YOU to our headline sponsor and traffic management provider Quantum Traffic Solutions (based in Scunthorpe) ... without them we would not have been able to bring this event to the town, keep growing it and make it soooo special. Our home town deserves great events, right in it's heart and we're proud of our town.

An extra thank you to those clubs, groups and organisation's getting involved and making the day special for our runners. You'll see volunteers at various points cheering you on, so if you're not too tired, then shout them a thank you :)

At Curly's, our goal is to promote active lifestyles, providing people with inspirational, fun, great value and high quality events. We know the benefits of physical activity to an individual and community are huge for physical and mental well-being. Our goals for this event are to help **"inspire activity, bring communities together, promote the town and directly support Scunthorpe & District Running Club, and help make this event and our other events greener in their approach.**

If you would like to look for your next challenge, or find out more about Curly's Athletes, then pop along to our website: <http://www.curlysathletes.co.uk> or Facebook page: <https://www.facebook.com/curlysathletes/>

Finding us and parking

Alongside local public car parks (in Scunthorpe) we also have parking available at North Lindsey College (DN17 1AJ) on event day (thanks North Lindsey College team). Spaces are limited at this location, so allow plenty of time to find alternative parking if you plan to park here. Please **do not park on Brumby Wood Lane residential street (run route!)**, the Pods, or any of the Central Park car parks (these will be closed and you will be locked in for the duration of the event). Disabled and cycle parking can pop up to the Pods. Volunteers, please see our volunteer page for your parking :) **PLEASE CAR SHARE WHERE YOU CAN**, visit here for more parking options:

Curly's Shop!

OUR NEW SHOP THAT DOES 'GOOD THINGS' will also be popping up at registration or you can order online and pick up on the day :) www.runninggifts.com

Wouldn't it be wonderful if the kit we bought to get active also helped others get active - by buying this kit, you'll help us make a start in 'moving with purpose'. When you buy lovely things from us, you're creating micro-grants that help people get active. These are focussed on the local area based on where you collect, buy the item from or have the item delivered to (delivery options coming soon!)

When you buy something from us, 10% of the price you pay goes directly into our micro-grants. Which we award locally. We're starting with a specially designed hoodie, a snuggly bobble hat and our snood :)

Things Going On!

- **FREE MOCKTAIL**- We have once again prepared a special Mocktail.
- **FREE COOKIE**, - we've bought every single runner a lovely cookie from the wonderful Cookie People ! They are based just down the road and have another shop, even closer in Central Park, just 400 metres from the finish! You'll meet the Cookie People at the finish :)

- **FREE WILDFLOWER SEEDS**, -we've also bought lots of wildflower seeds and are currently popping all these in envelopes. You will be able to pick yours up from the the finish line team on the day :)
- **A FANTASTIC WOOD FINISHERS MEDAL!** We LOVE our wooden medals and we get to have full colour prints on them! We know people have mixed views on them... but the nature of this event is for us to do what we can to help make our events more sustainable (and yes we had steel from the steelworks on our list... but thats a lot harder than you would think!) Wooden medals make it more sustainable; not only in the material, but in transportation weight. In line with our green aims for this event, we have worked hard to make the wooden one as brilliant as possible.
- **ANNIE FANNY!**, the lovely Scunthorpe Panto team from this years Robin Hood and the Merry men cast are starting off the event (and running!!) They are at the Baths Hall this year from 3rd until the 31st of December for their amazing annual panto!
- **LOVELY GREEN SPACES!**-Our (rather amazing) local parks team from North Lincolnshire Council are working hard on making our finish area look the 'greenest' it can be... and of course keeping the park generally stunning!
- **ON COURSE BAR AT 7K!**, the perfect post run venue to relax in.. or for spectators, the perfect place to pretend to watch the race from :) This is in the same lovely venue you register in, the newly refurbished App Frod Sports & Social Club (also home to Scunthorpe & District Running Club.)

Sunday 17th May 2026

- **SCUNNY & HUNNY BUNNY!**, Scunthorpe's football mascots will be down and ready to cheer you on!

- **LAXEY HOUSE** - our chums from Laxey House Bird Rescue will be joining us in the event park, so please pop by and say hello and have a look at the great work they do every day for our local wildlife <https://laxeyhousebirdrescue.co.uk/>

- **HOPE HOUSE CHOIR** - we are going to be joined by the amazing team from Hope House who will be seeing you entertained with some fabulous tunes. Have a look at the amazing work they do to support families affected by cancer <https://www.hopehousebfs.org/>

- **FOSTERING - NORTH Lincs COUNCIL** - Our friends from Fostering at North Lincolnshire Council will be joining us at the event and will be at the finish line giving out medals and high fives to you all! You will see this good luck message on your number bib - it was originally going to be a sticker, but we went with the greener option, and incorporated it into the bib design - pretty cool!

- **BRUMBY HALL LAWN BOWLS CLUB** - Grab a hot or cold drink from the bowls club. Maybe have a quick game whilst you are there - they will be happy to see you

- **SPACE FOR YOUR CLUB TENT!** - we've got lots of lovely green space, so please do bring along your team tent. Just be respectful of the grounds (the park team spend a lot of time making things look pretty). Take your litter with you and have fun :) If you are looking for a cheer station on the route, then pop on down to the Kingsway or Queensway sections. Get in touch and we can draft you in as a volunteer cheer station.

Runners well-being

- **Medics**, our medical team will be on hand throughout the event. Based at the aid stations, bikes on course and vehicles moving up and down the course. For top tips visit <http://www.runnersmedicalresource.com/en/> If you feel unwell or injured then it's your responsibility to make sure you withdraw from the event- please don't put yourself at risk.
- **Headphones** - we won't ban headphones as the race is held on a fully closed road. However, we strongly recommend bone conducting headphones. This isn't us being kill joys (you'll hear on the day how much we like music!) but we maintain our own and emergency services blue light response throughout the closures. An alert runner allows us to progress and get help to where it's needed quickly, and without putting other runners at risk.
- **Water**- who knows what the weather will be like! So, we have an aid station planned just after the 5k mark (on the return leg on Queensway :) You'll also see it on the way out- PLEASE DON'T STOP and cross the flow of runners to get water :) If we get a heatwave then we will pop another aid station at 7k for you. At the FINISH, we will have no plastic bottles, but you'll get a cup of water. Please take this with you and then you can exit the finish line area. We've then provided an unlimited re-fill station. This works well and we're well practiced at it. It usually means runners drink when they should be (vs taking it home in the car) and they take it in smaller amounts, which is a better way of taking on water post race :) It also reduces a huge amount of plastic waste (around 12,000 bottles over the last 12 months :))

Green things!

BE BETTER - NOT PERFECT - you'll see our motto all over the place. This represents our approach to our Big Green objectives. We're delivering 'normal' events you would expect, but trying with each element to do it a little bit better.

We will be learning along the way. Those learnings are available for anyone, and we will share with all after the event.

Everything won't be perfect, but that is ok... every event we will get better and better :)

Some things we can't afford to do, some things you may not want to pay extra for, some things are quite frankly rubbish, and some things simply we don't have green solutions for so WE ARE NOT PERFECT.... but WE WILL BE BETTER!

The Route & event maps:

Pop along to the event page on the website and you'll find an interactive route... but here's our talk through and map for you :)

Runners start the event on Ashby Road, heading North bound to Brumby Wood Lane roundabout, turning left at the roundabout they head west on Brumby Wood lane.

Continuing along Brumby Wood lane until runners reach Kingsway. At this junction, runners turn left and head east on Kingsway.

Continuing along Queensway, until reaching the 5k turnaround point in the road, they then complete a u turn whilst remaining on the eastbound carriageway but heading west bound (again in the right-hand lane)

Runners continue back to Queensway/Kingsway roundabout and then turn right onto Ashby Road, heading North on the South bound carriageway, until turning left to enter the university- via the road off Ashby Rd (using the north side road as an entrance.

Heading through the university car park, runners exit onto Centenary Way pass App Frod club and through the car park to join Brumby Hall Gardens.

Runners make their way through Brumby Hall Gardens and turn left on Brumby Wood Lane (picking up the route used on first lap). Runners then head as before west bound on Brumby Wood Lane, turning left and heading eastbound on Kingsway.

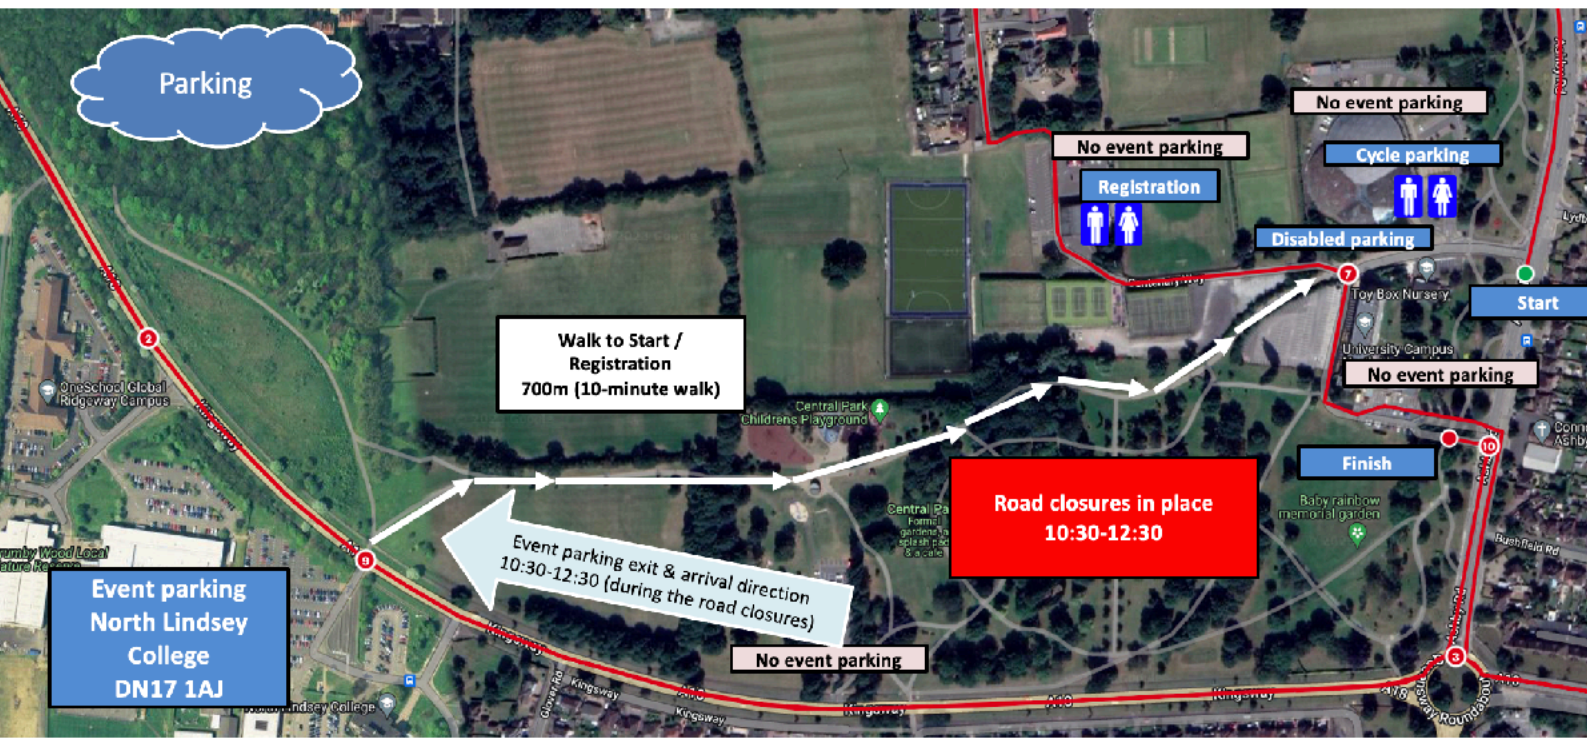

Upon reaching Kingsway/Queensway roundabout runners this time turn left (using the left-hand lane) and onto Ashby Road before then turning left again into the university and the finish line (using the south side road this time)
