## The Big Green Scunthorpe 10k

### 11:00 Sunday 21<sup>st</sup> May

The Big Green event project is here to promote Scunthorpe and North Lincolnshire.

We're bringing several high profile and unique annual events right to the heart of the town.

Our aims are to,

- Creating a more sustainable and greener event
- Showcase the area and bring visitors
- Supporting the local community, through partnerships and creating opportunities to come together.
- Inspire people into physical activity and well-being activity

Locally the event is working with Scunthorpe & District running club and the App Frod Sports & Social club. In addition, we've lots of local business and community support happening on the day, so please come along.

We appreciate this will cause some local disruption, but we hope you can come out and support the event and help showcase the area

We've attached a guide to road closures and diversions in the area, and please visit the website for more information about the event: <https://biggreenevent.com/big-green-scunthorpe-10k>

Take care throughout the event, as runners will be in the road. Road closures are in place to support runners' safety throughout the event. If unsure, then please interact with one of the traffic team in the area, who will be able to advise you.

Thank you for your support

Any questions please drop us a note well in advance of the event:

Runners start the event on Ashby Road heading North bound to Brumby Wood Lane roundabout, turning left at the roundabout they head west on Brumby Wood lane.

Continuing along Brumby Wood lane until runners reach Kingsway, at this junction runners turn right and head east on Kingsway.

Runners then reach Queensway roundabout where they head straight across and join Queensway (using the right-hand lane), continuing to head east bound on the east bound carriageway and in the right-hand lane.

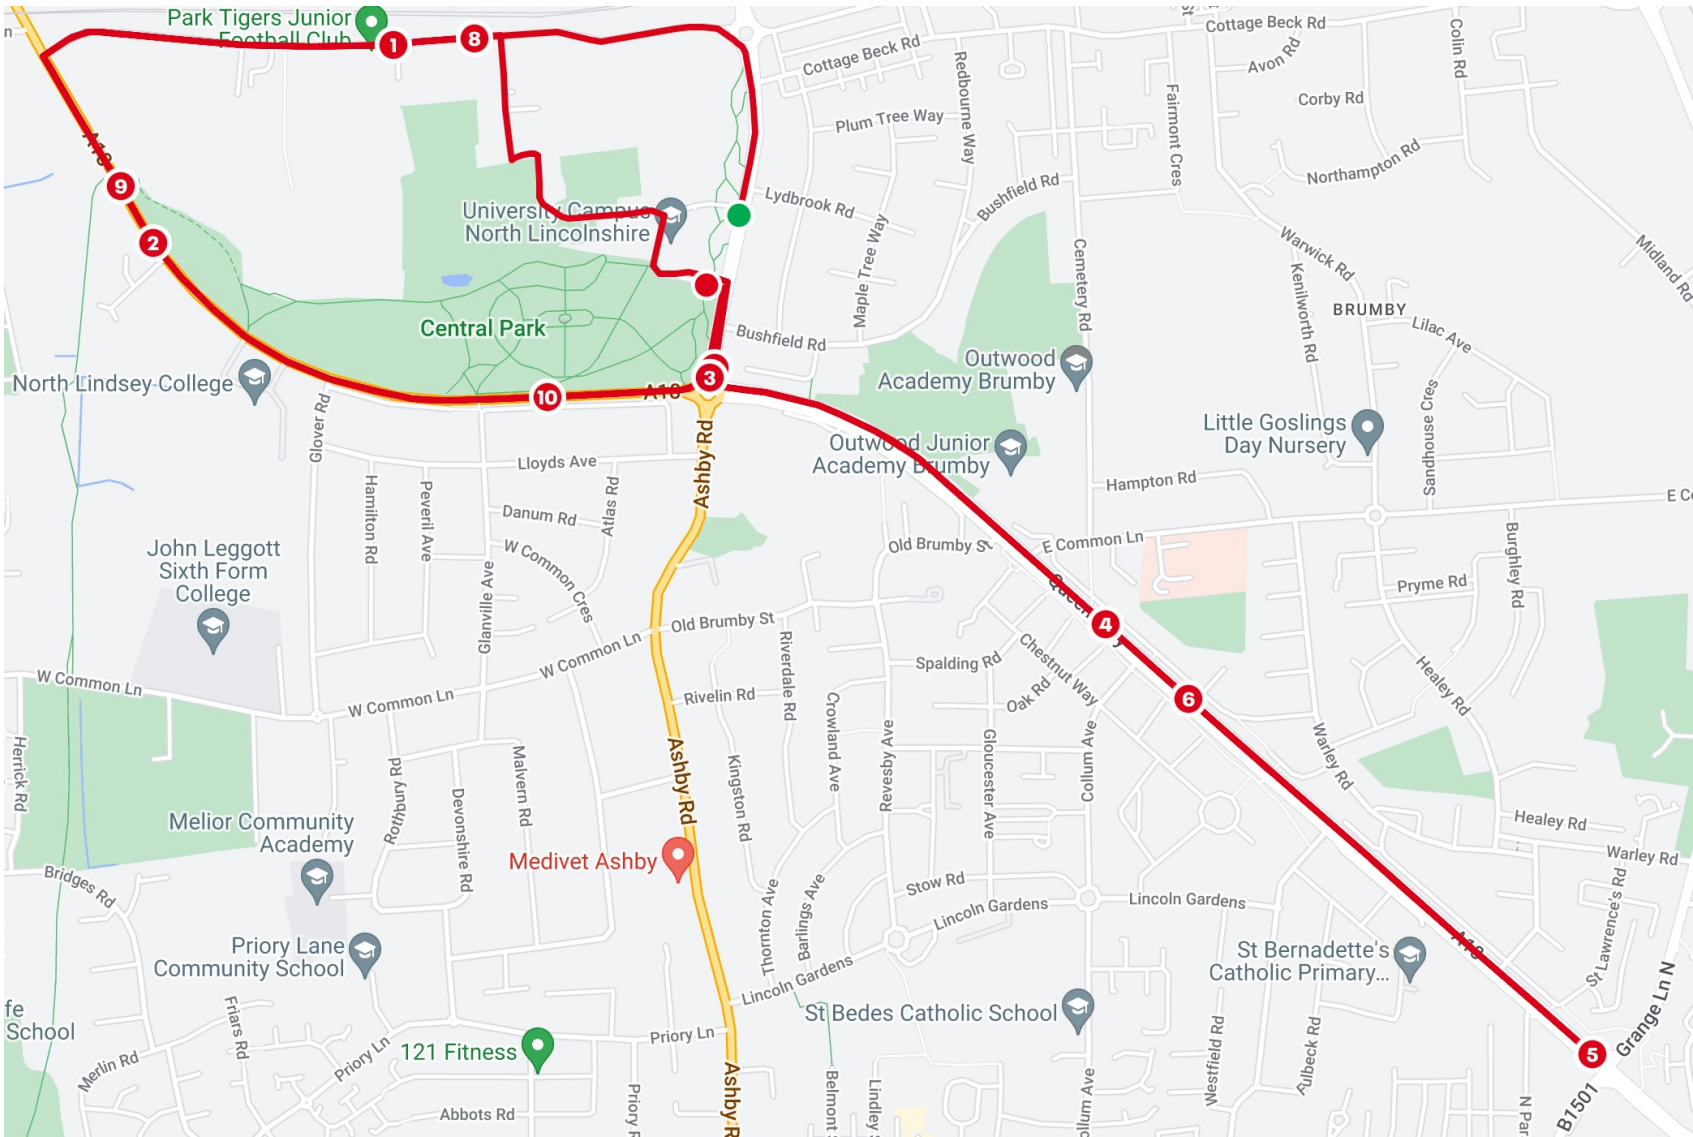

Continuing along Queensway until reaching Grange Lane North crossroads, they then complete a u turn whilst remaining on the eastbound carriageway but heading west bound (again in the right-hand lane)

Runners continue back to Queensway/Kingsway roundabout and then turn right onto Ashby Road heading North on the South bound carriageway until turning left to enter the university via the road off Ashby Rd (using the north side road as an entrance).

Heading through the university car park runners exit onto Centenary Way past App Frod club and through the car park to join Brumby Hall Gardens.

Runners make their way through Brumby Hall Gardens and turn left on Brumby Wood Lane (picking up the route used on first lap). Runners then head as before west bound on brumby wood lane, turning left and heading eastbound on Kingsway.

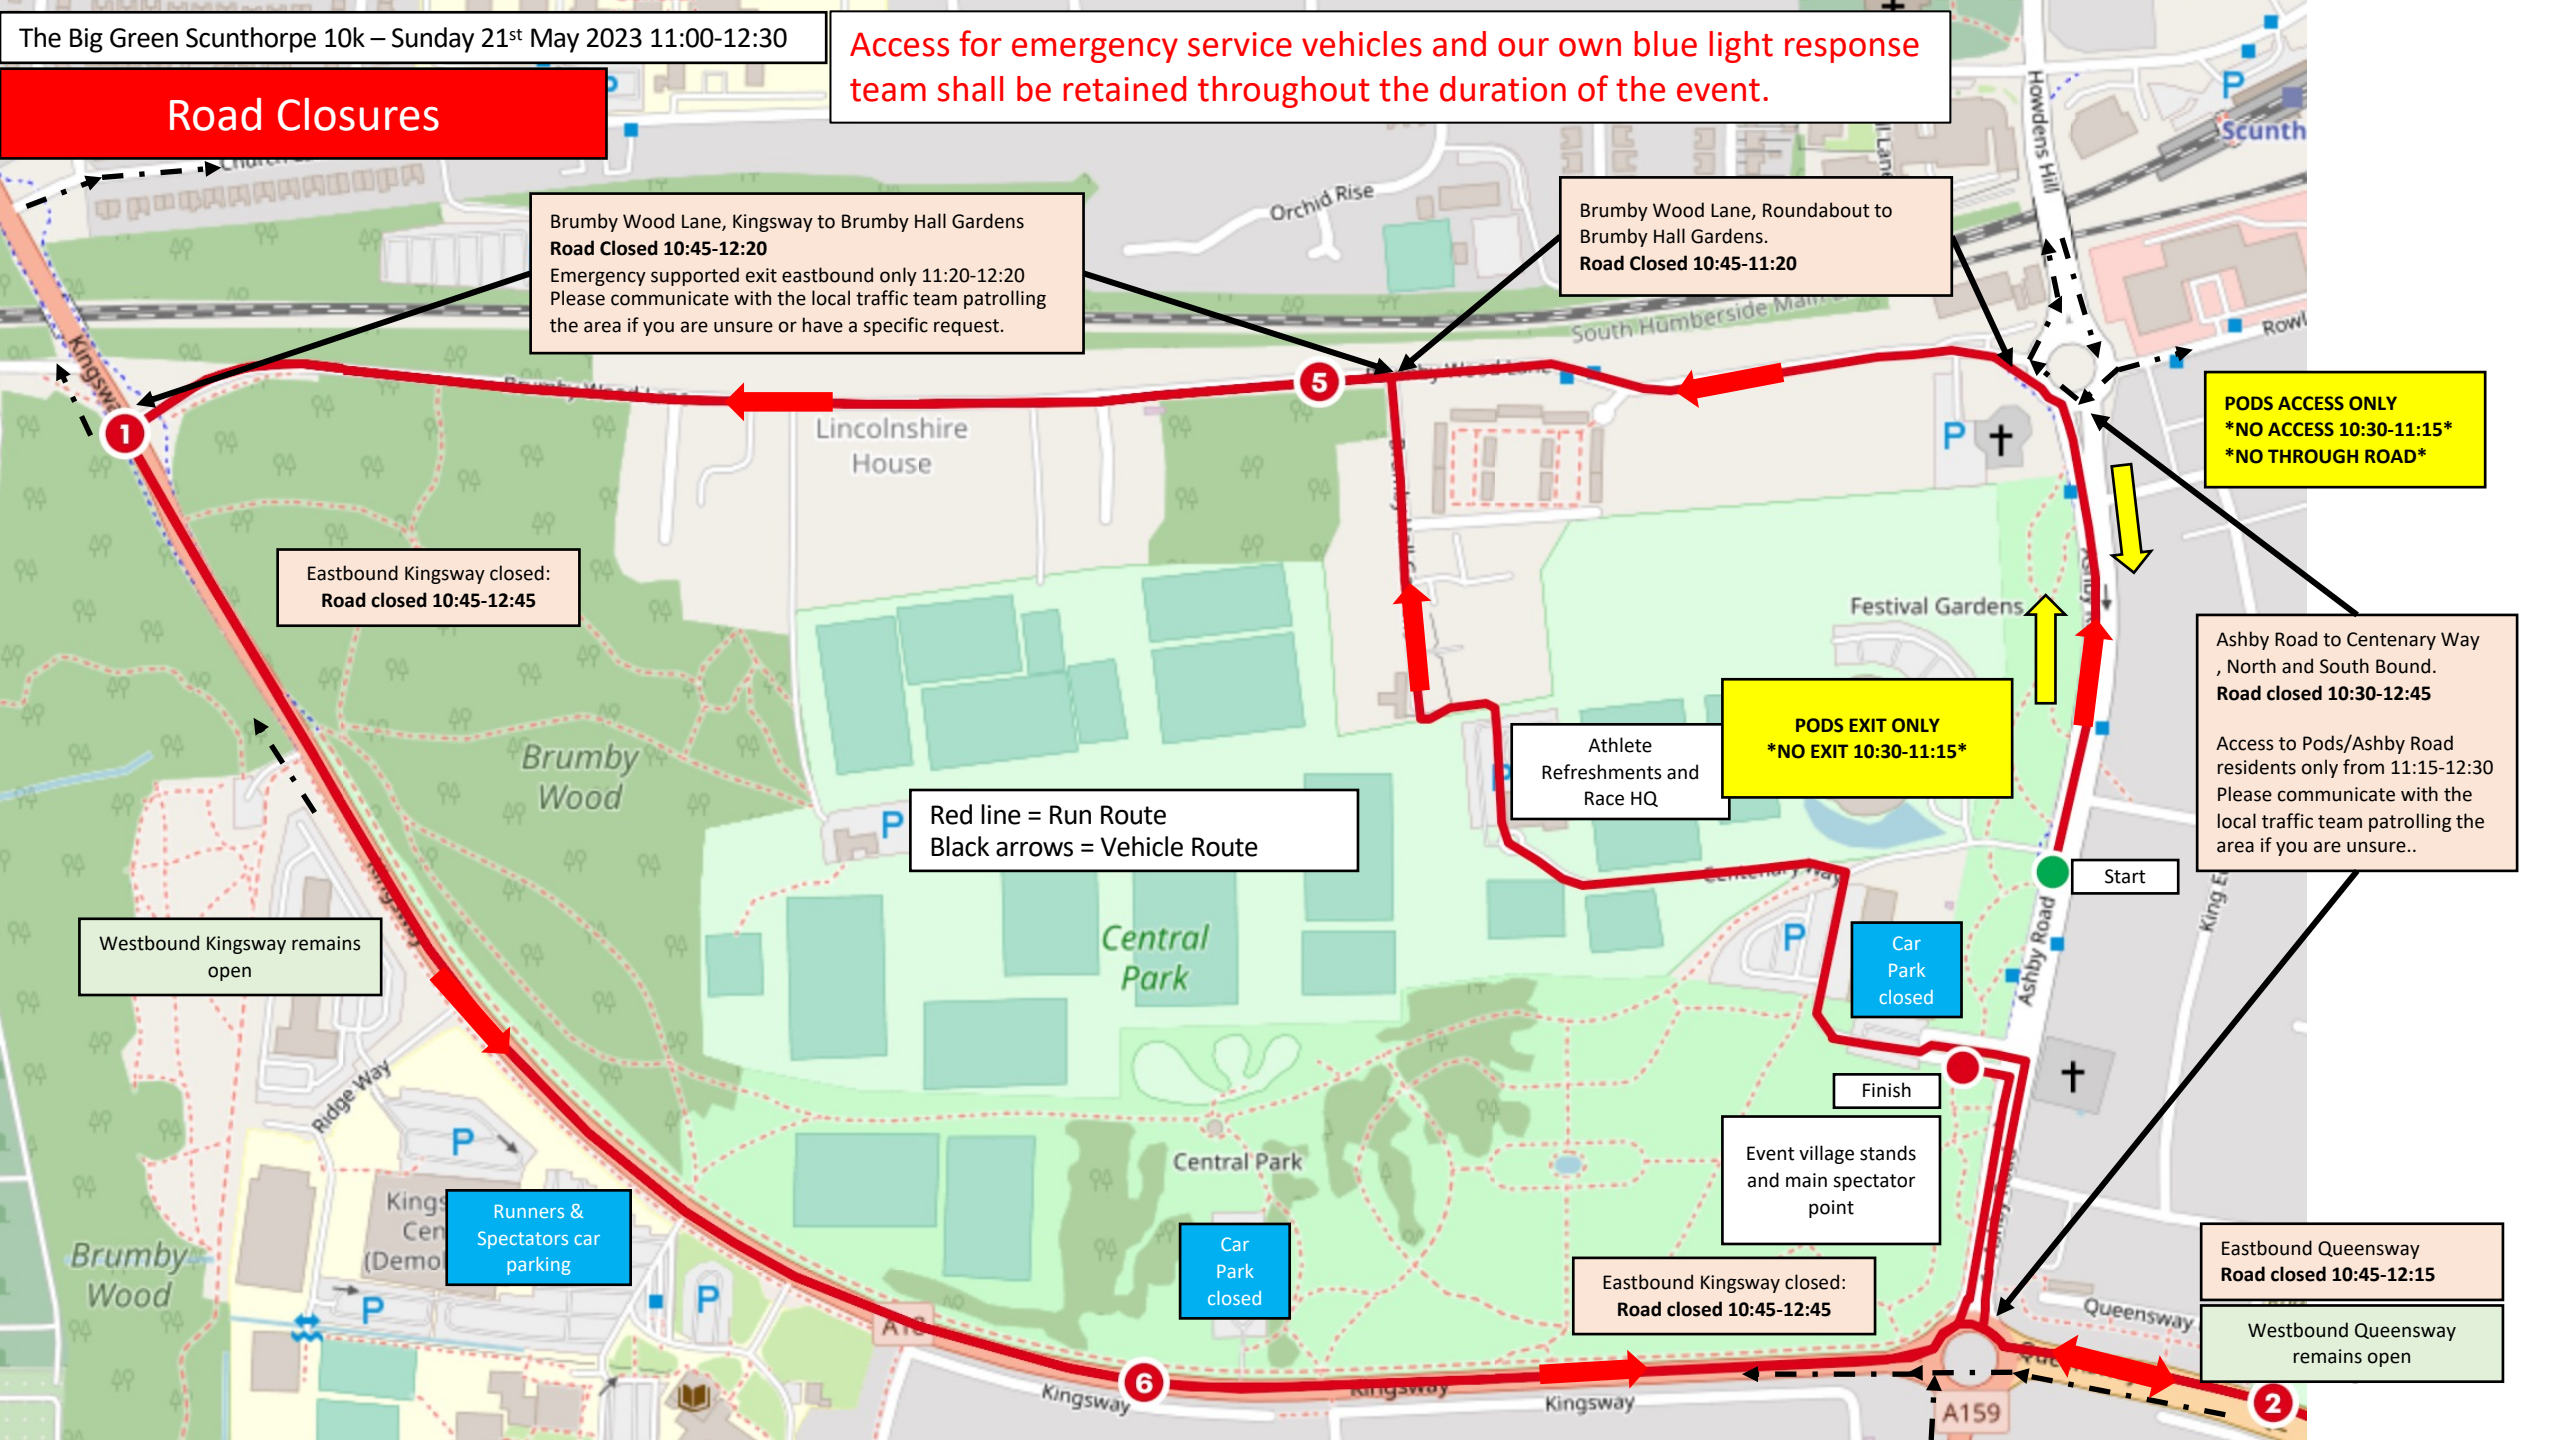

Upon reaching Kingsway/Queensway roundabout runners this time turn left (using the left-hand lane) and onto Ashby Road before then turning left again into the university and the finish line (using the south side road this time)

# Road Closures

Access for emergency service vehicles and our own blue light response team shall be retained throughout the duration of the event.
