

EVENT

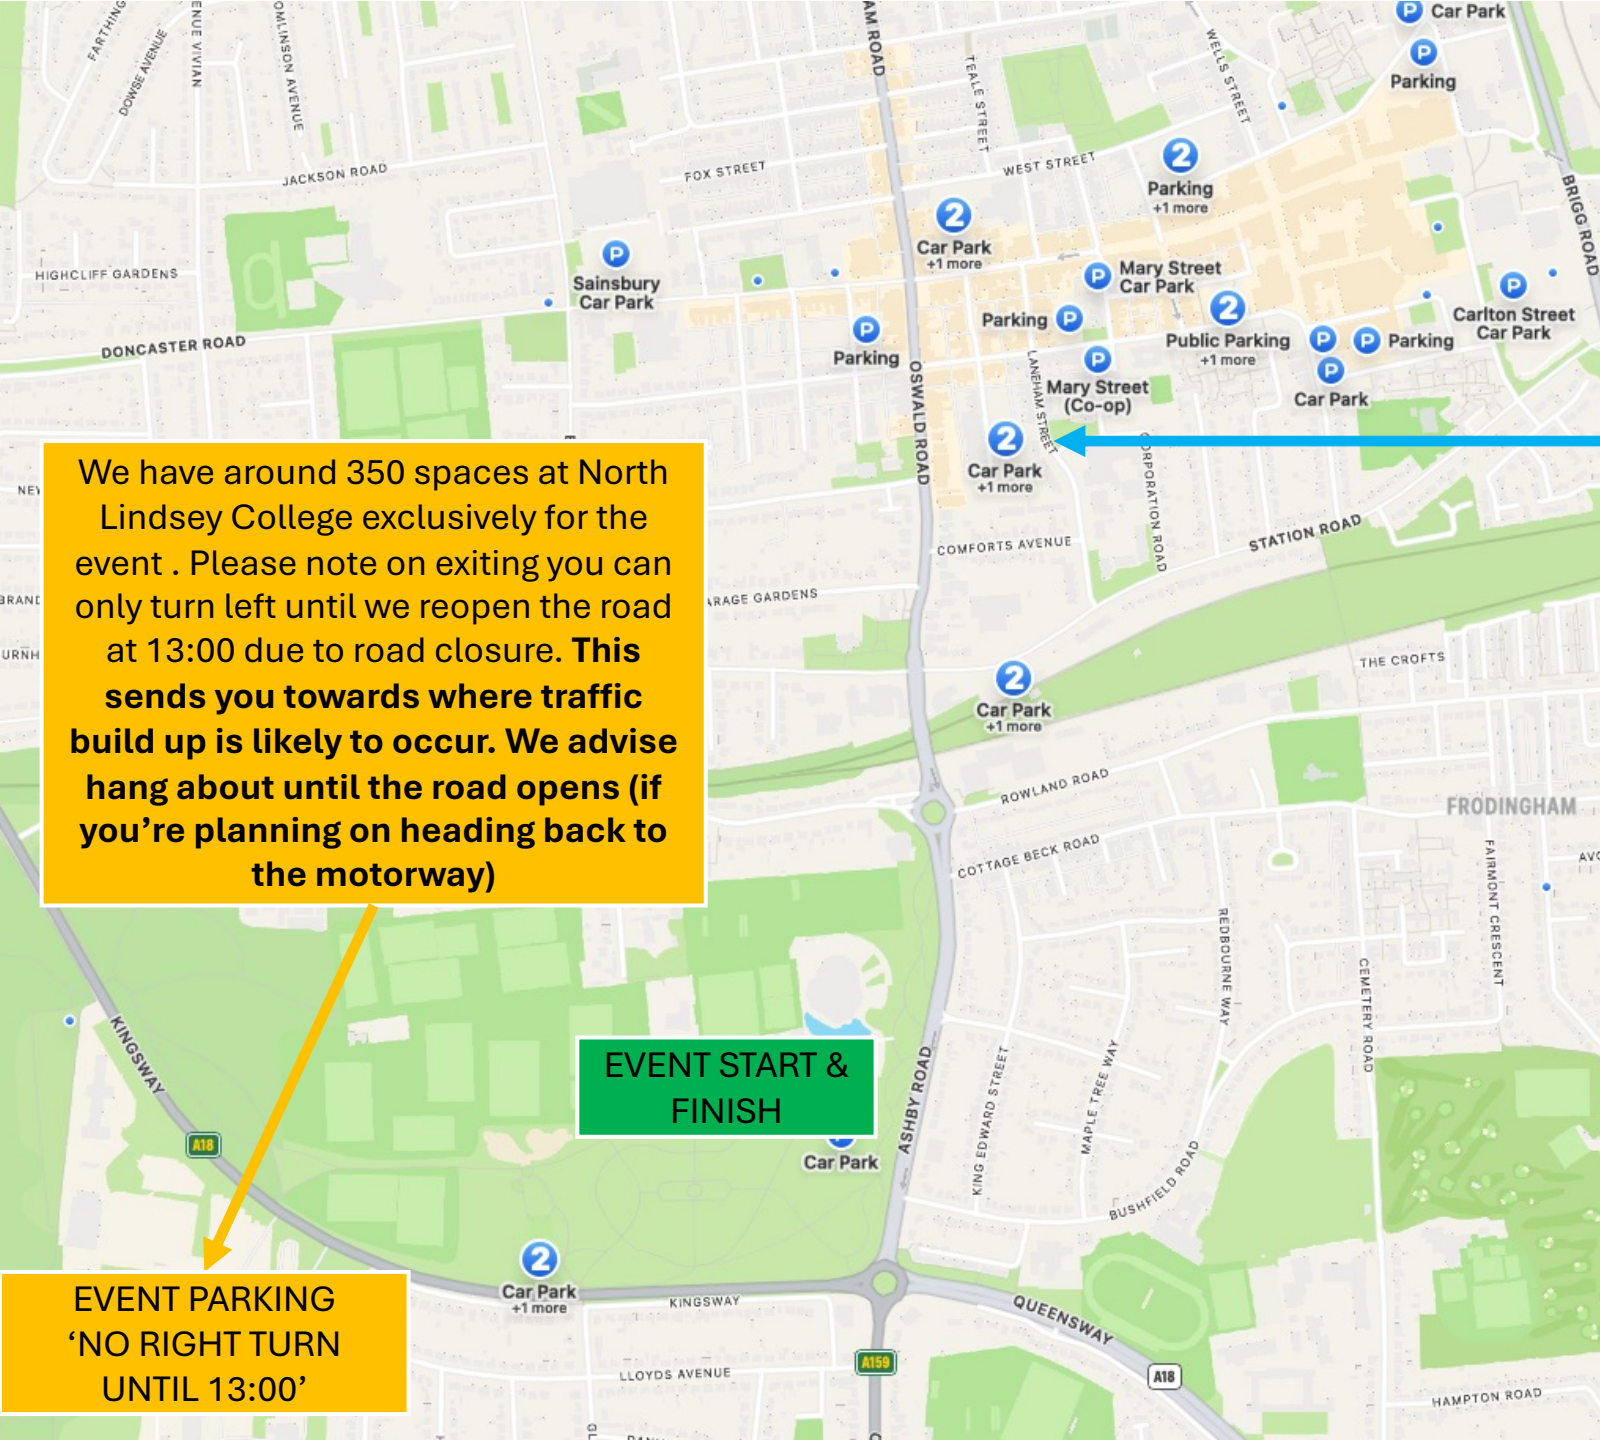

TRAVELLING: Please allow extra time and plan your route ahead of the day.
PS: We're good friends of Scunthorpe United so will be staying connected to help each other out ... we love our town and are super excited for an amazing Sunday!

The A18 from Doncaster is an alternative route but is likely to be the busiest area at the roundabout

M181 closed

If you're coming from Doncaster way we recommend you carry on the M180 up to the following junction (Brigg junction)
If from Grimsby way you will also have to come off at this junction

Nb: we will update with any further info / advise if needed

We have around 350 spaces at North Lindsey College exclusively for the event . Please note on exiting you can only turn left until we reopen the road at 13:00 due to road closure. **This sends you towards where traffic build up is likely to occur. We advise hang about until the road opens (if you're planning on heading back to the motorway)**

EVENT START & FINISH

EVENT PARKING
'NO RIGHT TURN
UNTIL 13:00'

Lots of public parking in this direction as per the information pack and only an extra (14 minutes steady walk from Dunstall Street Parking)

This would then allow you for an easier exit heading east across town.
