

Chapter Social

Our chapter socials are scheduled for the first Tuesday of the month at 6pm at Harley- Davidson of Louisville. Check calendar for any changes. All members are encouraged to attend but not required to attend. We are a riding group not a meeting group. The social begins with an informal segment, occasionally with food involved. Then we move into the more formal portion where we will hear from each officer on chapter updates and events. Socials usually last about an hour and in the summer months we try to ride to some tasty treats afterwards, weather permitting.

Our Major Events

Kickstart party in January/February, picnic in Fall, bike games, several overnight rides and many day rides planned throughout the riding season. We also have several members that will lead impromptu rides.

Information is Key

Getting the most updated information is very important, especially in a riding group like ours. It is essential for you to have the information you need to know about events and rides. In Kentuckiana HOG, there are several ways we share information.

1. **Facebook** – Members in good standing will have access to the Chapter member only Facebook. This is the first place you should look for updated information on planned activities. Look at the events section for impromptu rides.
2. **Text Service** – This is a one-way service with up to the minute updates for rides.
3. **Monthly Socials**- See chapter social on next page
4. **Dealership Chalkboard** –Located in the lounge, the chalk board is updated monthly with dealership happenings and chapter rides / events
5. **www.kyanahog2032.com** – Provides general information, events, meeting minutes and pictures. You cannot post comments on the site.
6. **Word of Mouth** – Let's face it, things change very quickly. If you are not sure of a specific time, event, or ride; Just ASK!!!
