Family

The Chapter is pleased to have you as a member. We know you will enjoy the ride! This brochure will touch on some of the key details that you should know as a member. If you have any questions about our Chapter, please do not hesitate to ask another member or one of our Officers.

Membership

You must be a National H.O.G.® member in good standing to join any local H.O.G. chapter. Go on line or Call 1-800 CLUBHOG to join National H.O.G.®.

You can get a local Chapter Membership Enrollment Form and Release waiver from any officer, our website, or at the dealership.

Note: An expired membership with National H.O.G.® automatically terminates local Chapter membership. All Chapter memberships expire on December 31.

Sign In !!!

It is very important that you sign in when you attend Chapter events, rides, and meetings. There will be sign-in sheets at every event.

Information is Key

Getting the most updated information is very important, especially in a riding group like ours. It is essential for you to have the information you need to know about events and rides. In Kentuckiana HOG there are several ways we share information.

1. **Facebook** – Members in good standing will have access to the Chapter member only Facebook. This is the first place you should look for updated information on planned activities. Look at the events section for impromptu rides.
2. **Text Service** – This is a one way service with up to the minute updates for rides.
3. **Monthly Socials**- see chapter social on next page
4. **Dealership Chalkboard** –located in the main show room the chalk board is updated monthly with dealership happenings and chapter rides / events
5. **ww.kyanahog.org** – provides general information.
6. **Word of Mouth** – Let's face it, things change very quickly. If you are not sure of a specific time, event, or ride; Just ASK!!!

Ladies of Harley®

Ladies of Harley® or L.O.H.® was established by the Harley Owners Group® to encourage women members to become more involved in riding. L.O.H.® is not a separate group from H.O.G.®, but rather an added benefit for women members. Everyone is encouraged to participate.

Chapter Social

Our chapter socials are scheduled for the first Tuesdays of the month at 6pm at Harley-Davidson of Louisville. Check calendar for any changes. All members are encouraged to attend but not required to attend. We are a riding group not a meeting group. The social begins with an informal segment, usually with food involved. Then we move into the more formal portion where we will hear from each officer on chapter updates and events. Socials usually last about an hour and in the summer months we will ride for some tasty treats afterwards. We will also have a recap of the chapter social as part of the Welcome to the Kentuckiana Family on the 3rd Saturday of each month.

Welcome to the Kentuckiana Family

The Chat-Join us on the third Saturday each month at 9:30am at Harley-Davidson Louisville for a proactive discussion about group riding. This is just an informative gathering to discuss group riding techniques and hand signals. We know you can ride, this is just a way of communicating how we ride so everyone is close to being on the same page. This is a good time answer any questions you might have concerning group riding. This is also a good time to meet a few of the chapter officers and current members. Come on out and share some stories and share some coffee and donuts. There are always several laughs.

The Recap- 10:30 am of the previous months social for those that could not attend or just want to hear it again.

The Ride- 10:50 meet. KSU at 11:15am Riding is what we are about.
