To find the child's Little League eligibility age, find the month they were born in along the top and then the year they were born in that column and follow to the LEFT COLUMN for their AGE.

For August 2006 and earlier, birthdate is calculated as the player's age as of April 30, 2018.

For September 2006 and later, birthdate is calculated as the player's age as of August 31, 2018.
