

MEDIA CONSENT FORM FOR YOUNG PEOPLE AND VULNERABLE ADULTS

Special Notice to professionals re. CIOC students:

This consent form is to be used **SOLELY** for permission to take the young person's photograph (showing the student working and their work) for use in their daily Learning Record reports, which will be shared weekly with their commissioning school and relevant care/support professionals. These photographs will **not** be used in any other publications or shared on any other forums.

Any child under 16 needs to have parental/carer consent for having a photograph taken or being used, or for being filmed.

Parent's/Carer's Name: _____

Child's name: _____

Phone number: _____

Home Address: _____

Once a child is 16 years of age, they can give their own consent and parental consent does not need to be sought or given.

We believe children and young people of all ages should be asked and make the decision as to whether they want to be photographed or filmed.

The following consents are subject to the Conditions of Use (see next page) of this Media Consent Form.

I give my consent for my child's name (not full name) to be used in reports or in photos in SKAPE publications or websites and/or local media.

I permit staff from SKAPE to use the photographs/interviews in ANY of the following ways:

- In any printed publications produced
- In correspondence with their commissioning school
- On the SKAPE website / Facebook page
- In advertising campaigns
- In local media

MEDIA CONSENT FORM CONDITIONS OF USE

1. This form is valid for five years from the date you sign it, or for the period of time your child attends SKAPE. The consent will automatically expire after this time. However, you acknowledge and understand that there may still be materials in circulation after this time.
2. You are entitled to withdraw your consent at any time, provided that you tell us in writing.
3. We will not include personal e-mail or postal addresses, or telephone or fax numbers on video, on our website, or in other printed publications.
4. If we use photographs of individual children, we will not use the full name of that child in the accompanying text or photo caption.
5. If we name (first name only) a child in the text, we will not use a photograph of that child to accompany the article.
6. We may use photographs or footage with very general labels, to identify the activity being carried out.
7. We will only use images of children who are suitably dressed, to reduce the risk of such images being used inappropriately.
8. Please note that websites can be viewed throughout the world and not just in the United Kingdom.
